## "UNIFORMS IN THE NAVY

weif the enastes, for which I think them grade covenible. You finally suppose I hold them a first covenible to many suppose I hold them a little cheap for justing on any jury of a Frenchiman sunform?

It was only a feet years after this, however, that Nelvon himself was wearing an epastet, not only on a single shoulder, but on both. In the United States any uniforms were precibiged from the joutset—but with the very wise of the control of the color with red laples, sinable cuffs, a tainful polar of the color of the colo

# NOT A PENNY TO PAY
