Quarters of the Globe and  
Given in a Few Lines.

Italy-Turkish War  
Italy has made propositions to Turkey that are expected to bring peace. It proposes to annex Tripoli and pay indemnity. Italy is to control all civil and military affairs, while the caliph is to exercise in all religious affairs.

Domestic  
Hindu temple to be erected by Brahmins from all over the United States and to cost \$1,000,000, is proposed as a memorial to the late President of the Supreme court of the United States.

William Showman, his wife and three children were found dead in their beds in their home near Ellsworth, Kan., by a neighbor. They had been slain with an ax which they kept. No clue to the murderer or the cause of the crime has been discovered.

Senator Robert M. La Follette of Wisconsin was endorsed for the Republican nomination for president in 1912 by the 900 delegates in attendance at the national progressive conference at Chicago. The platform makes no mention of the tariff, nor does it include the progressive principle of the initiative and referendum.

Had it not been for the vigilance of C. E. Brown, a Seattle farmer, the special train bearing President Taft from San Francisco to Los Angeles probably would have been blown up by dynamite 20 miles north of Santa Barbara, Cal. Four hours before the train was due on the Southern Pacific (Brown discovered 35 sticks of dynamite under the Caltrain viaduct.)

Frank Henderson was killed and his other men were injured when an automobile driven by Henderson struck a buggy near the Toledo (O.) track club and was overturned.

Leaders of the Progressive Republican movement met in Chicago to promote the candidacy of Senator La Follette for the presidential nomination.

The sixth international dry-farming congress opened in Colorado Springs, Colo.

An order from Washington pardoning Robt. E. Walsh, the former Chicago banker and railway president, was received at the federal prison at Joliet, Ill. The prisoner at once started for Chicago.

Actual work on the Panama-Pacific international exposition to be held in 1915 in San Francisco, was begun when President Taft turned the first spadeful of earth at the fair site.

Emory E. Knox is under arrest at Lansing, Mich., charged with an attempt to extort \$20,000 from E. O. Hild, automobile manufacturer, through Black Hand methods. The police say Knox has confessed.

Clarence S. Funk of Chicago, general manager of the International Harvester company, has been sued for \$15,000 damages by John Henning, who charges that Mr. Funk alienated the affections of Mrs. Henning.

The remainder of a woman's skirt and a pocket hidden with the skirt and a small object, found under a bridge on the Pine creek road a mile north of the spot near Dixon, Ill., where the murdered body of Beattie Kent Webster was found, is thought to be the clothing of the murdered woman.

Senator La Follette of Wisconsin, progressive Republican leader, has declined to start early next month on a speaking tour through the middle west. The tour will last until conference meets in December.

The body of Dr. John Jackala, a Duluth physician who had been missing since June 21, was found in the woods a short distance east of that city. Jackala was the man arrested in New York last year for assisting Mrs. Oliver P. Belmont.

Every member of the Wisconsin legislature who supported charges that United States Senator Isaac Stephens was won his election through bribery and corruption will be asked to produce evidence at the investigation by the United States senate committee.

Seven passengers were killed and twenty-four were injured in a head-on collision on the Missouri Pacific railroad near Fort Crook, Neb., when the St. Louis passenger, north-bound, collided with an extra freight south-bound.

Miss Mary Elizabeth Graham, servant of the late Mrs. William Well-to-do, lived alone at Kenton, Del., and was found in a folding bed in her home which had been a prisoner four days. Her recovery is unshakable.

Charles Welts, a chauffeur of Toledo, O., was killed and six other persons were hurt when a large automobile went over an embankment five miles from Fort Wayne, Pa.

Paulus Gardner, seventy-six years old, was shot and killed in the foot of his grocery store in Chicago. It is believed he was murdered by burglars.

There is a "suffrage trust" in the United States, the power of which is strong in Wisconsin and which is crippling the women of the state in their efforts to obtain the ballot. Mary Beaulieu Wagner, the only independent suffragette in the state, so declares.

Governor Joseph W. Folk of Missouri has announced a currency bill in opposition to former United States Senator Aldrich's reserve association bill. The bill proposes a national department of finance with a director named by the president and also an association of banks empowered to guarantee commercial paper, but to issue bank note currency.

The will of Cornelius M. Bliss, for whom the Bliss building in St. Louis is named, has been admitted to probate. The will provides for a national committee and one-time secretary of the interior, was named for probate in New York city. It is worth more than \$2,000,000.

August Wilcox of Torrance, Mich., has just been paid \$5.04 him him for his services as a member of the Michigan legislature. He was postmaster at Bridgewater, Mich., 70 years ago.

Shahin Cui Amad of Seattle, Wash., is under arrest charged with forgery of a postal savings bank certificate. This is the first attempt at such a forgery which has come to light.

Admiral Washington L. Capps, who went to Havana to inspect the wreck of the Maine for the navy department, is at the Philadelphia Navy Yard. He is not yet submitted his report to the department.

Army officials of Washington hope to announce by the first of the year that all in that service are immune from the typhoid fever, due to administration of prophylactic injections. More than 400,000 men under forty-five years old, who have not had the fever are to be given the treatment.

The dissolution of the "electrical trust," as the General Electrical company and its subsidiaries are known, was announced by Judge J. C. McLaughlin in a decree in the United States district court. The General Electric has about forty subordinate firms under its control.

William Rockefeller, brother of John D. Rockefeller and vice-president of the Standard Oil company, was arrested in London from the steamship Mauretania, accompanied by his private secretary, and taken to New York to stand trial for the murder of a woman. None of his fellow passengers knows his whereabouts.

Life imprisonment for Giuseppe and Carmelo Nicoletti, Italian anarchists, was pronounced by Mrs. Colgrove Nicolosi, for the kidnaping of Angelo Marino, aged five years, was the verdict returned by the jury at Chicago. Mrs. Piazzola Catrona, mother of Mrs. Colgrove Nicolosi, was acquitted.

Mrs. Falciano, apostolic delegate, has sent a circular letter to all archbishops and bishops in the United States ordering them to discontinue the practice of excommunicating priests at the door of Roman Catholic churches and of charging a fee for a seat in the churches.

President Taft arrived at San Francisco after a strenuous day of re-arranging speeches commencing at the national Christian citizenship convention at that city. He spoke on the tariff, the trusts and other subjects. He made so-called "dollar diplomacy" the subject of his principal address, which he delivered in Sacramento. He defended his Central American treaties and declared that they were logical results of the Monroe doctrine.

In the United States circuit court at Baltimore Judge John C. Rose granted an injunction to the government in its dissolution suit against the Standard Sanitary Manufacturing company and others, the so-called "toilet paper trust." The injunction was brought under the Sherman anti-trust law and the alleged illegal combination must dissolve.

Rev. Paul Ebiner of Tillamook, Ore., accused of teaching that the Scriptures are not inspired, was excommunicated by the synod of the Methodist church at Fort Wayne, Ind. Refused church at Fort Wayne, Ind.

For the first time in over twenty-five years Nashville, Tenn., city councilman, Dr. S. P. Harris, city councilman.

The treasury department at Washington is about to adopt a new chemical process for testing tests.

Michigan Patents  
Michigan patents were issued as follows: James Campbell Detroit, means for making ammonia; Charles Oskar Carlsson, Pelch, grain drier; Florence L. Crombie, Detroit, means for making ammonia; Charles L. Davis, Detroit, envelope; David M. Deering, Jackson, running gear for motor vehicle; Henry Ford, Detroit, motor vehicle; Charles L. Hoffman, Detroit, lamp; Alfred H. Kay, Detroit, railway joint and chair.

Allen D. Lutz Gray, Rapids, dry-lumber; John Lovett, Kalamazoo, girding implement; George R. Mills, Hudson, baling press; Theodore G. Mollinger, Kalamazoo, tread-mill; Frank A. Mowers, Farmington, means for making ammonia; Charles L. Mowers, Farmington, means for making ammonia; Detroit, spring suspension for motor vehicle; Frank J. O'Leary, Detroit, motor vehicle; Albert E. Palmer, Coopers, Edward H. Palmer, Detroit, and Iron, also inventors; lamp burner; Jay B. Rhodes, Kalamazoo, route indicator; Charles A. Rolfe, Detroit, electrical protection device.

Pastors and Teachers in Conference.  
The Pastoral and Teachers' conference of the Methodist church in Michigan was in session at the German Lutheran Trinity church in Lansing, concluded its work. The pastors are holding a conference and a teachers' conference at the parochial teachers. During the session, Rev. David Spahn of Condit, talked about the public school system. Rev. E. K. Rarrand of the First Presbyterian church delivered an interesting address on the Men and Religion Forward Movement.

Three More to Be Freed.  
Three more additional pardons and paroles have been granted by Governor Parsons for the following: one to a wife who called on the executive in behalf of her husband, Bert Cunningham, sent from Manistowic for robbery, and another to a woman, Mrs. Tando, sent from Benzie county to serve from six to fifteen years, for robbery, secured a conditional pardon on presentation of friends.

Another bitter contest is promised by one of ex-Governor Wagner's Republican supporters. The contest is between George E. Harrington of Kalamazoo, who was appointed a member of the state board of health to fill the vacancy caused by the death of Charles Blake of Detroit. On July 19 Governor Osborn appointed Dr. Edward Abrams of Dollar Bay to fill the vacancy.

Both Doctor Harrington and Doctor Abrams were in Lansing to attend the meeting of the board. Doctor Harrington gave out the following interview: "I have never received any notice from Governor Osborn or from the attorney general, that my services on the board was no longer needed. I came to Lansing with the intention of taking my seat on the board. A session of the supreme court is all that will make me vacate my seat."

Secretary Dixon of the state board of health, who is the attorney general with the intention of getting his decision in the matter. It is expected that some action will be taken at the meeting.

Recently Doctor Harrington made a trip to Philadelphia as a representative of the board, and one of the questions asked was about the board's decision in the matter. It is expected that some action will be taken at the meeting.

Many Protests Against Scheme.  
Expressions of protest from various parts of the state indicate that when the commission of tax inquiry begins its work, it is awaiting the arrival of the final contingent of the first expedition before he begins his march into the interior.

Four airplanes have arrived in Rome from France. They will be used for the purpose of making the first experiments in the use of flying machines in actual warfare. The planes were piloted by Italian officers who will undertake to drop bombs into the enemy's encampments.

Turkey Orders Expulsions.  
The Turkish government ordered the expulsions of all Italian consuls and consular officials from Constantinople. A society has been organized to make a declaration of independence on behalf of the young with a hatred for Italy and Italy's empire.

A pitze court has been formed to deal with the question of war, which is the present time include two tramp steamer, a number of tug boats and a number of tug, lighters and steam launches.

Uncontested Battle Report.  
The Frankfurter Zeitung correspondent at Constantinople forwards a dispatch regarding Tripoli saying: "A fierce engagement occurred between the Turks and Italians on a hill in the neighborhood of the city. The Italian line broke and the Turkish casualties were slight."

Many Dangerous Dams in State?  
Has Michigan any dams which threaten the lives of communities? The question is raised by Von Schöner, a well-known civil engineer of Detroit, in a letter to Governor Parsons, in which he suggests the advisability of precautionary measures against similar catastrophes in Michigan. In his opinion, there are many old dams in Michigan, which perhaps are not kept up and might be a source of danger and of trouble to the state. He suggests that the state should have a commission to investigate his views as to feasible protection.

In a reply to Von Schöner, Governor Osborn expresses his appreciation of the timely and interesting letter.

Let State Support Her.  
"Let the mother be self-supporting in her own home," is the motto of the Austin (Pa.) tragedy and suggests the advisability of precautionary measures against similar catastrophes in Michigan. In his opinion, there are many old dams in Michigan, which perhaps are not kept up and might be a source of danger and of trouble to the state. He suggests that the state should have a commission to investigate his views as to feasible protection.

Rev. Jacques Cheson Moderator.  
The opening session of the Michigan Synod of Michigan, held its annual meeting in the North Woodward Avenue Presbyterian church, Detroit, was marked by the election of Rev. William T. Jaques of Traverse City as moderator. He succeeded Rev. William H. Simmons of Mason.

Lemuel B. Hissell of Detroit, and George B. Crawford, Port Huron, and Charles D. Ellis, Holly, were chosen temporary clerks.

By Lieut. Roy C. King of the First Presbyterian church delivered an interesting address on the Men and Religion Forward Movement.

Relieves Backache Instantly

Sloan's Liniment is a great remedy for backache. It penetrates and relieves the pain instantly—no rubbing necessary—just lay it on lightly.

Here's Proof.  
I had one of the worst backaches I ever had in my life. It was so bad that I could not get up. I tried everything, but nothing helped. I then tried Sloan's Liniment and in five minutes I was able to get up and in half an hour I was as good as new. I have since used it many times and it always gives me relief. I can recommend it to anyone who has a backache.
