

BIRMINGHAM HEIGHTS

Birmingham Heights, the New and Pleasing Growth, and a Big Addition to Birmingham

Years ago this part of the village was pleasantly and classically christened by the late John Baldwin, Council Bluffs, meaning that part of the village across the River Rouge—the Highland.

A few years past, this pleasant part of the village has grown so fast that it is now a house and dwelling way that the name of the new plot of Whitehead & Mitchell is christened "Birmingham Heights."

We are not yet ready to exploit this 16 acre addition to the village until cement walks are made, shade trees set out and streets and alleys are graded up in a business like way.

Harmon street and the way north to Birmingham's only water residic is two pleasant homes Mr. Eastman, a druggist of Detroit who bought eight acres and has erected a beautiful home.

Mr. Eastman and Mrs. M. C. Catchoon, also of Detroit, who over a year ago selected this spot for their city country home close to the street car line.

These two home makers are satisfied dwellers in or on Birmingham Heights. The next buyers in this neighborhood are in this order named. Mrs. Charlotte Wilson, who is the owner of a new modern bungalow, recently finished, built on her two acres of land on corner of Harmon and Greenwood.

The next buyers in this neighborhood were Messrs. McGrayne and Shore of Detroit. Mr. McGrayne is a landscape gardener of fine fame and Mr. Shore is a cigar dealer with place on corner of 25 and 31 State street, Detroit. These two gentlemen bought of the Oakland Realty Co., Messrs. Shattuck and Lynch, four acres and divided it between them. Mr. McGrayne has about completed a fine country home there and when finished it will take a snug sum of money to take it away from him.

Mr. Frank Shore later bought six lots in a bunch on the south side of Harmon, gathering in with his land purchase several large old land elm trees that are the pride of his heart as well as the entire neighborhood. Both of the gentlemen will improve their holdings so that their value will be increased many fold.

All this vacant land has been handily sold by Messrs. Shattuck and Lynch whose forte seems to be west Harmon street just now.

Just one day last week this firm closed a sale to Mr. J. White of Detroit who took four acres facing Greenwood and will make for himself and family a beautiful country home.

This busy firm has also closed a deal with Mr. Frank Stannard, who acquires two acres of this "promised land" and he will in the near future build for himself and family a modern dwelling. This goes. We can see for that section of our village a Detroit settlement for people wishing country homes.

The plot being prepared by Whitehead & Mitchell will place 70 lots on the market and sales will be mostly to Detroit with a building restriction that will make it a choice home section of our village, Birmingham, the Pride of Old Oakland.

A STEP BACKWARD

The County Board of Supervisors Have Decided That They Cannot Afford to Keep the Matron

The County Board of Supervisors has decided that the matron at the rest rooms in the court house is an unnecessary expense.

No one denies the fact that the rest rooms are a great boon to the people of the county who come to Pontiac to trade; but if the matron is taken away there is nothing to prevent these rooms from becoming a rendezvous for the unscrupulous and consequently a public nuisance.

We are informed that after Jan. 1, 1912, the matron's salary will no longer be paid by the county, this probably means that there will be no matron there or if she is retained that her salary will have to be provided for by a few of the women of the city and county as it has been heretofore.
