Should our enthusiasm have carried us away, and Rexall "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our statements, and in consequence our business prestige would suffer.

"The Liver Pills act So Naturally and Easily."

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson, of Utica, after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Bile Pills on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Presently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case." A. L. Wilson, Utica, Pa.

Dr. Miles' Nerve and Liver Pills

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without griping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist or nearest dealer will give you a second bottle free. Ask him, MILES MEDICAL CO., Elkhart, Ind.
