## ONE AMERICAN IDEA FAILS

Tourists From This Country Form Only 8 Per Cent, of Those Who Visit Switzerland,

Visit Switzerland.

We have been telling ourselves so long that our American tourists keep up the European hotels and that but for them European hotels and that but the second of the s

who say at pension and boarding, who say at pension and boarding who say at pension the number of sueste reached three million. Of this number 22 per cent are the Swiss themselves. The Germans, who are often pictured as stayat-home, constitute 60 per cent, then come the English, 11 per cent, the French, 15 per cent, and the Americans of the Switzerland outlined to the taillains. So, after all, it seems that Switzerland would not go to the wall if the Americans boycotted Europe long enough at least to see the wonder and beauties of the Grand Canyon, the Canadian Rockles, the Followtone, the Vosethile and Niagara Palis Brit.
