The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer $100 for any case that it fails to cure. Send for list of testimonials. Address

Paint in Japan.

It is estimated that Japan consumes $15,000,000 worth of paint annually. About 85 per cent of this total is imported. Japan also has a paint making factory, with a capital of $500,000.

Snail Famine Alarming.

France is threatened with a snail famine. To the average American such a famine would not mean much, but in France it means that during the autumn and coming winter thousands of humble families will be deprived of their most toothsome dishes, which in the ordinary way they would partake of at least once or twice a week. The tropical summer has dried up all the vegetation, and as a consequence the snails have found nothing to eat, and they, too, have dried up in their shells and died. Outside France few people realize the magnitude of the snail-producing business. In the wine districts they are tended and grown with as much care as oysters, and daily supplies are forwarded to the Central markets in Paris, for the menu of any ordinary restaurant is incompetent without snails.

MORTGAGE SALE.

And whereas the whole amount claimed to be due and unpaid on said mortgage at the date of this notice is the sum of Three Hundred and eighty-four and 30/100 dollars, ($384.30) of principal and interest and the further sum of Fifteen Dollars, as an attorneys fee stipulated for in said mortgage and provided for by Statute, and no suit or proceeding having been instituted at law to recover the debt now remaining secured by said mortgage, or any part thereof, whereby the power of sale contained in said mortgage has become operative. Now, therefore, notice is hereby given, that by virtue of the said power of sale and in pursuance of the Statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises therein described at public auction, to the highest bidder, at the front door of the Court House, in the City of Pontiac, Oakland County, Michigan, on the 9th day of March A.
