Better Coffees for Less Money

Most everybody in the State of Michigan knows of Peter Smith & Sons' Royal Valley Coffees --NERO, MARIGOLD and TZAR--packed by the Royal Valley Coffee Company, Detroit.

Detroit.

We have been fortunate enough to secure the exclusive agency for these splendid goods in Birmingham—with the idea which we always have before us of giving our customers the very best it is possible for their money to buy.

Royal Valley Coffees

Are extraordinary Coffees. Those who ought to know say they are the best Coffee values they have ever seen. They are selected of the very choicest imported stock; and the one big idea throughout their entire preparation for YOUR use is that their richer flavor, and stronger "body", will sell enough more of them to make up for their low prices. And they DO.

As an example of what the people in Detroit, where they are best known, think of Royal Valley Coffees—during the year 1910 over 350,000 pounds of NERO alone were sold over the counter at Peter Smith & Sons' retail store.

These are the very same Coffees, at the very same prices, that delight a majority of the Coffees lovers of Detroit, and all over the State as well.

ROYAL VALLEY NERO is 25C, MARF. GOLD is 3OC and TZAR 35C per pound—and they're the best Coffees ever sold in Michigan for the money.

JUST TRY ROYAL VALLEY COFFEE.
