A FREE Prescription ADVICE

From a physician of 52 years' experience in medicine, surgery and general practice. Weak, nervous men.

So great was my sympathy for weak men in the early years of my experience that I have made it a special study, and formulated two prescriptions, one for men under 40 and one for men over 40 years of age. In the early years, I want men under 40 to have the benefit of my long years of experience and study, and to be able to give me now 20 years old and as strong and vigorous as I was in my youth. I will do any business and make any sacrifice when they thought relief in their grasp, but when they were cured, they would not take of private lectures to men which is the reason of my study and research in the student classes, way back in '71. Since that time I have cured many to go that are now pleased to recommend me.

YOU NEED AID. Let me help you to regain your former standing among men. Get the medicine sent to the nearest drug store.

From suffering from falling memory, I have discovered that you can get relief immediately. Let me send you a RECIPE for your own use. I can guarantee that you will get relief in 24 hours. I will send you a free prescription if you send me a few lines. I will send you a free prescription if you send me a few lines. I will send you a free prescription if you send me a few lines.

Our old friend, E. S. Willard who went to Florida, with the Birmingham colony, has succumbed to the charms of the land of flowers, and has bought a farm of 80 acres for a home. He is now busy building a bungalow.

Mr. and Mrs. Peter Kerr, and daughter, Miss Bertha, are all back home again from their winter in the South. They were at St. Augustine, Fla., and enjoyed the curious and ancient sights very much. Peter went fishing as he wanted to, and while glad to go they were very glad to get back to "Beautiful Birmingham, the Pride of Old Oakland."
