Royal Valley Coffees

The rich Coffee-oil is present in these Coffees in the highest degree, due to their being grown in the richest, most highly-cultivated valley soil; and when roasting, every care is taken to preserve that oil, which gives Royal Valleys their finer flavor and aroma. Also, because of that extra care in roasting the berries just enough—not too much nor too little—it is possible to maintain in Royal Valley Coffees a

Stronger "Body"

So that a pound of one of these blends will last longer than a pound of most Coffees, because you do not need to use so much of it to make your Coffee just the strength you like best.

Royal Valleys are unquestionably the highest-grade Coffees sold in Birmingham today, and you will like them the best of any you ever used.

Try Royal Valley **Nero,** or **Marigold,** or **Tzar,** and you will never use any other Coffee—because any other as **pure** would cost you from 10c to 15c more per pound and even THEN you wouldn't get the flavor.

Nero is 25c, Marigold 30c, and **Tzar 35c** per pound at

Deafness Cannot Be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of 10 are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give $100 for any case of deafness (caused by catarrh) that cannot be cured. Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY,
