DR. MILES' NERVINE
Raised Me From the Grave" — Mrs. Taylor

This is a strong statement to make, but it is exactly what Mrs. Thomas Taylor, of Blum, Texas, said in expressing her opinion of this remedy.

"Dr. Miles' Restorative Nervine raised me from the grave and I have much confidence in it. I can never say enough for your great medicine. If anyone had offered me \$1000 for the second bottle of Nervine that I used I would have said "no indeed.""
MRS. THOMAS TAYLOR, Blum, Tex.

Nervous exhaustion is a common occurrence of modern life. The wear and tear on the nervous system is greater now than at any time since the world began. For sleeplessness, poor appetite and that "run down" feeling, nothing is so good as

Dr. Miles' Nervine

Why Farmers Should Keep a Bank Account
Their Bank deposit book affords them a complete record of their cash receipts, while the stubs of their check books are a perfect record of expenses and payments. Paying a laborer, a store account, or any other bill with a bank check is much safer than with money; because you avoid the risk of handling the actual cash, and the indorsed check returned by the Bank is the best kind of a receipt.

Farmers, try the experiment for one year of keeping a Bank account and see if it does not pay you. A large number of the best farmers have accounts with us now.
