Follow his advice and you will be using some one of the three popular brands put up by Peter Smith & Sons. Follow good advice and thank us.

Here is the banner sale yet of real estate sold in or near Birmingham. For nearly 40 years old man Meigs of the Western Newspaper Union has been telling old man Mitchell of the ECCENTRIC that some one of these days he was going to run out to Birmingham and buy a nice chicken farm, fine home, barn and all necessary outbuildings, at $50 per acre. He still thinks, but he has waited too, yes too awful long. Listen, Believe me! Monday Bert Quarton sold to Mr. W. Scott Jones two acres on the east and west road facing north for $2,000. Just the bare land. The Quarton boys, Fred and Bert, with Will J. Beattie will open two Grand Boulevards running south from the Beattie road intersecting Maple avenue. This will place on the market for sale in any size from one acre up, land amounting to nearly 400 acres. This land filled with city homes for city people can't fail but help Birmingham, the Pride of old Oakland.

The Baptist church congregation gave Mr. and Mrs. William Hamm, a grand surprise party, at their home on the Mark Hall in Troy, last Friday evening. A good old-fashioned visit was enjoyed by all present. Say, you all know that when Uncle Bill gets to going; everything goes.

Mrs. A. J. Harris is back home again from her winter's stay in the Lone Star state, Texas. She saw 20,000 of Uncle Sam's boys, and could have visited with a relative whose plantation is entirely surrounded with soldier boys and their tents. But, the good lady chose Michigan, Birmingham,—the Pride of old Oakland, and her many old friends instead. She shows good judgement, even if the weather is bad, cold, wet and disagreeable.

One of the very handsomest efforts in the way of journalism comes to us in the Silver Jubilee number of the Lady Maccabee published by Grace Greenwood Brown at Port Huron and is the March number. This anniversary edition is a thing of beauty and reflects great credit on its author. The reading matter and illustrations are more than passing good. An article by the editress, on "Mother Ward, Founder of the Ladies of the Modern Maccabees" is of great interest. The illuminated cover of this edition is of especial beauty and is a design from the fanciful thoughts of its competent editress.

Nearly Any One May Secure a Splendid Growth of Hair.

We have a remedy that has a record of growing hair and curing baldness in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are certain Rexall "93" Hair Tonic will cure dandruff, prevent baldness, stimulate the scalp and hair roots, stop falling hair and grow new hair, that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed, and does not grease or gum the hair. Two sizes, 50c and $1. With our guarantee back of it you certainly take no risk. Sold only at C. J. Shain's store—the Rexall Store.

Three Vital Reasons

"I want to give every person not using electric light three vital reasons why the General Electric Mazda Lamp should make them have their house, store, office or factory wired.

First—

The G-E Mazda Lamp gives nearly three times the light of the ordinary carbon incandescent.

Second—

It costs no more to burn.

Third—

The quality of light is vastly superior—a clear white light like sun rays.

"The General Electric Mazda Lamp represents the high-mark in the evolution of incandescent electric lighting. It blends inventive triumph and manufacturing skill—and you reap the benefit in the form of dollars and cents, and freedom from eye strain when using artificial light."

"I want the chance to prove to your entire satisfaction that this wonderful lamp is even better than represented. Come in today and see for yourself. Your call places you under no obligation, and is apt to be decidedly to your profit."

Be careful to see that every electric lamp you buy bears the G. E. monogram.
