The all day meeting of the Home and Foreign Missionary societies of the M. E. church held at the home of Mrs. W. D. Curtis last Friday was a very enjoyable affair. About 40 were present and in both meetings much interest was manifested. An excellent program was given in the morning by the Foreign society and the program in the afternoon given by the Home society was no less interesting. There seems to be no dividing line between Home and Foreign missions. The one merges into the other and the union meeting of these two societies during the year have emphasized this fact. The Home society has adjourned until next September but the Foreign society will continue to hold monthly meetings through the summer.

The vaudeville show given at the Masonic Temple last Tuesday and Wednesday evenings under the auspices of St. Mary's church was the finest entertainment seen here in some time considering the short time they had to practice. 33 YEARS AGO

The following items were published in this paper by its present owners.

In this week's issue we printed an item of interest which brot on a libel suit as well as "basting" our business. No—we won't print it.

A Charming Woman
Is one who is lovely in face, form, mind and temper. But it's hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipations and kidney troubles, blotches, pimples, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate stomach, liver and kidneys, purify the blood, strengthen nerves, brighten eyes, breathe smooth, velvety skin, lovely complexion and perfect health. Try them. 50¢ a C. J. Shain's.

THE SEXTON HAS NO KICK.
Mr. Editor:
Will you kindly give space to the following, in reference to the article in last week's issue, entitled "Desecration."
Concerning the ball game of last year, I have no personal knowledge being occupied in another part of the grounds.

As to the picnic party held in the grounds this year, I know the facts, and if anyone wishes to know them, the information will be cheerfully given. Furthermore, they located upon the family lot of the parents of one of the party, quiet and well behaved, and caused no extra labor picking up after them.

Also, they extended strictly to their own business, and let others people's affairs alone, which is more than can be said of some others.

There are people living in Birmingham, anyone of whom will in a half hour, leave more litter and cause more extra labor, than the picnic (?) party did in six hours.

Neither do they bring a dog with them, as is sometimes done by persons who are supposed to know the rules.

As to the Veterans,—all honor to them!—I was more than pleased to find their portion of the grounds so neat and orderly following their departure.

A word of praise also for the teacher in charge, who did so well, considering the number of children present, in keeping their charges so well under control.
