Ward Kenyon, engineer on the Grand Trunk Railway, met with a very serious accident last Wednesday night. Mr. Kenyon, whose home is in Durand, got his orders from the station, and while on his way to the engine cab fell and was seriously injured by the slowly moving train. Two fingers and part of his hand were badly crushed, in fact part of the hand was completely torn away. The skull was badly crushed, and it was thought he received serious internal injuries as well. He was rushed to Harper Hospital on the 10 o'clock train, where Dr. N. T. Shaw operated on his skull. Mr. Kenyon expected to give up his position in a few days. His mother was too ill to go to his bedside.

Rev. F. F. Kraft officiated again last Sunday morning at the Girl's Friendly Holiday House at Pine lake. The "parish motor car" made an early morning run in time for the 7:30 service; breakfast was served at 8:15 and at 9 morning prayer was said and the Rector made an address. The parish motor car returned home in time for the 10:45 service at St. James' gathering up some good parishioners en route. In the afternoon the same vehicle conveyed the Rector to St. Philip's mission in Rochester and home again by 6. Blessed be the parish motor car, what would we do without it:—first we hear it has towed some unfortunate brother motor home or pulled some skidding brother out of the ditch; next it is taking some one of our doctors on his rounds and it takes sick people to the hospital so much more comfortably than they can go in the car and sometimes it helps the bride and groom to give their friends the slip. Blessed be the Parish motor for we think it does almost as much good in the community as THE ECCENTRIC.

United Presbyterian Church Notes—Theme for Sabbath, Aug. 20, "God's Leading in our Lives." A study of Psalm 23.—Young People's prayer meeting at 6:15 p. m. Subject, Mountain Scenes in Bible Story." Deut. 34:1-6, Matt. 17:1-8.—The Communion of the Lord's Supper for the Birmingham congregation will be on Sabbath Sept. 10 Preparatory service Friday Sept. 8, at 7:30 p. m.—The pastor having received and accepted a call from the Sunbeam congregation, Rock Island presbytery and has decided to close his work here on Sabbath, Sept. 10, and remove to Illinois within a few miles of his boyhood home, with some increase of salary and less work to efficiently cover the field and within easy distance of Mammouth college, his Alma Mater. The change will be advantageous, yet we have enjoyed our work and home here. Birmingham is a nice and pleasant place to live and we regret most of all leaving many many friends both in and out of our churches whose warm attachment and loyal friendship we most highly cherish We leave with most kindly feelings and regard for everyone in and about beautiful Birmingham, and pray the Master to keep and bless the work of this charge in which we have spent nearly three years.

Get in the Game! Cut out the coupons on the sporting page of the Detroit News, bring 'em to the Eccentric office and we will make the high schools lads happy, and perhaps they can witness the post season games!

Samuel Curnow, one of our good citizens has bought out Herbert Rendell's interest in the old William Soults' farm, stock, tools and everything. He took possession August 1st., moved August 14th. and is now sawing wood.

I have a "Richmond Enquirer," a secession newspaper, published and printed in Richmond, Virginia, March 30, 1863. I will sell the same, and have been offered $10. Mrs. Jennie Scott. Inquire at Eccentric office, or of J. Allen Bigelow.

A villager writes, Michigan law says: "All public waiting rooms and stations shall have suitable toilet room or rooms for convenience of waiting passengers." How is it with the D. U. R. waiting room in Birmingham?.—Perhaps they are waiting for the new sewar before connecting up. Ed.

A beautifully colored book of fifty pages or more, sent to us by Mr. R. H. Fisher, of Salem, Oregon, is on our desk. It tells of Salem, the capital city of Oregon, and all about the choicest fruits of that wonderful country. A fine and very interesting letter from Mr. Weller will appear in our next issue.

Two miles of crushed stone road for which the state pays $1,000 per mile and the township levies a tax for the balance, is being built west of the village—east of Evan's corners. The estimated cost of the road is $3,000. A great deal of credit is due to Gaylord Forman, the supervisor, and Wm. Edwards, the able overseer.

Somebody must have distributed a midsummer's crop of kittens round town Monday. We got our share, and in a burst of generosity seldom equalled and "never excelled," we gave it to Master Harold Shaw (red lights, slow music) and heard from his mother later. A cat in the home is a nice spring of joy—so is a pup—and we got that too.

Baptist Church Notes—Sermon themes. "In the Love of God." In the evening at the union service in the Episcopal church, "Four Great Things."—B. Y. P. U. prayer meeting at 6:30. The Woman's Home Missionary society of the First Presbyterian church met with Mrs. Sherman on Woodward avenue. Subject for the month was "The Indians." Interesting papers were read and the program was interspersed with singing and reading. The society voted to assist in the work among the Hungarians in Detroit. This is a wide field for labor, as the population of these people number 12,000.

The union service of the churches of the village will be held in St. James Episcopal Church next Sunday evening at 7:30 o'clock. Rev. C. A. Salyer, of the Baptist Church, will be the preacher. The order of service, as well as the hymns, will be printed on a small leaflet, making the service easy to follow. All are asked to come and join heartily in the service. The choir, under the direction of Miss Clara Starr, has some special music under preparation for next Sunday evening.

Wilburn Harris, while shingleing a barn on the Pierson-Hough farm on the Nine mile road, fell from a 30 foot scaffold. Mr. Harris held a small hatchet in his right hand and as he saw his fate coming, just naturally, let go of little hatchet. The hatchet had a horrid duty to perform which it did right away. It completely severed the radial artery of the left forearm. Dr. J. L. Campbell tied and sewed the artery and hereafter Mr. Harris shingles from a Bleriot monoplane.
