BIG BEN — the one alarm clock that's always on the job.

It'll wake you right on the dot with one long steady call or stop your turn-over naps with successive gentle rings.

It's got a great big dial you can easily read in the dim morning light, a sunny deep toned voice you'll hear on your sleepiest mornings.

It's heavy, massive, handsome. It's a great clock for those that have to punch the time clock at 7:00 a. m. for all men who've got to get up in time and live on time.

We notice that several of the towns throughout the state are having a "home coming." What is the matter with this town that they don't get busy and have one too?

Mr. and Mrs. J. M. Lawson and Mr. and Mrs. C. G. Merrill left Saturday for a lake trip to Duluth and intermediate points. We bespeak for them a most enjoyable trip.

You won't fail to read D. K. Smith's new advt in this issue. Positively there is no need to go to Detroit for anything in the lines he carries. He will, can and does give better goods for less money than you can get in Detroit. Birmingham patrons please notice this advt also.

Mr. Claud Hamilton, of Richmond, Ind., is visiting f e nds in town and gave a dinner to a few of his most intimate friends at Hotel Royal, the Oak's leading hostlery, Monday evening.
