

WELL AGAIN

Freed From Shooting Pains, Spinal Weakness, Dizziness
by Lydia E. Pinkham's Vegetable Compound.

Oldenova, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms; shooting pains, dizziness, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to Lydia E. Pinkham's Vegetable Compound for my health."—Mrs. HANNEY E. WAMPLER, 521 S. Madison Street, Ottumwa, Iowa.

Consider Well This Advice.
No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

Splendid Crops

in Saskatchewan (Western Canada)

300 Bushels from 20 Acres

of wheat was the thrasher's return from the 20-acre plot in the 1914-15 season in the West. The yield was 300 bushels of wheat, 100 bushels of barley, 100 bushels of oats, and 100 bushels of rye. The total yield was 600 bushels of grain. The yield was 300 bushels of wheat, 100 bushels of barley, 100 bushels of oats, and 100 bushels of rye. The total yield was 600 bushels of grain.

Remedy for the prompt relief of Asthma and Hay Fever. Ask your druggist for the name of the nearest agent.

Brown's Bronchial Troches

For Coughs and Colds.

SEEN AND HEARD IN MICHIGAN

Ann Arbor.—The Iowa county Gleaser at the Iowa army, in absence of a certain instance, was shown over the building of a Gleaser clearing elevator here for their use. There appears to be but little doubt that the project will be carried through in the near future, the same as elevators now in operation in Detroit, Manton and other places. F. R. Marvin of this city was here and presented ideas upon the project.

Prize-Winning English Shorthorn Steer.

Live stock is the foundation of all systems of permanent agriculture and agriculture is, in turn, the base upon which rests the superstructure of all national prosperity.

SEEN AND HEARD IN MICHIGAN

Ann Arbor.—Prof. C. L. Hill, teacher of forestry in the University of Michigan, resigned. The department was awarded \$2,250 for the loss of a leg in an accident at the quarries of the Antrim Lumber Company, the jury having returned judgment to that effect after 12 hours' deliberation in the Emmet county circuit court. The case was tried two days and the judge rendered three verdicts of court and Drucker took it to the supreme court, which ordered a new trial.

RAILROAD MAN WRITES

REMARKABLE LETTER.

In 1903 and 1904, I was a terrible sufferer for about five months with kidney and bladder trouble. I could not sleep nights. One doctor said I was going to die. I had two other doctors but received no help from either of them and am sure I would have been in my grave had I not seen your advertisement in the "Marquette Daily Eagle." After taking a course of bottles of Dr. Kilmer's Swamp-Root I was entirely cured.

In last two years I have been a railroad freeman and have passed two examinations for my kidneys successfully so that I know that my kidneys are in excellent condition now as a result of your great preparation.

GEORGE KENSLEER,
10434 13th Ave. So., Minneapolis, Minn.

Send to Dr. Kilmer & Co., Birmingham, N. Y. for a sample bottle. It will cost you nothing. You will also receive a booklet of valuable information, telling all about the kidneys and bladder. When writing, be sure and mention the name of the newspaper in which you saw this advertisement and send me a one-dollar size bottle for sale at all drug stores.
