Queer, But Correct.

Prof. Brander Matthews, in his quality of philologist, said the other day in New York: "The past participle, gotten, has good out in England, Droverse, footened as choolets as 'puten.' In some most of Cumberland the villagers will use gotten and 'patten,' and a pupil teacher once told me of a lesson on these past participles wherein abegave her pupils an exercise to write on the blackboard. In the midst of the exercise an urchin began to laugh. She asked him why he was laughing, and he answered: 'Joe's put putten where he should have putten put."
