The strictly up-to-date Bucknell Pharmacy is responsible for that beacon light on Washington avenue. James Bucknell, owner of the "Nyal Store" is the first merchant to install an electric sign in Royal Oak. No need to be on the look-out for this sign for it will "speak for itself" but step in next time you pass, you will find the store as neat and supplied with as fine a stock as the new store is glorious in all its attainments.

The Johnston flood has been stricken from the annals of history! A greater and a more healthy one comes to take its place. Do you remember how it rained last Tuesday and Wednesday? The Tribune took off its hat, both due to election and elements and enjoyed every drop. We know not exactly what happened but it reads something like this. Frank Parmenter who has purchased the block containing Hallock's grocery and the Tribune and the once flourishing restaurant of Mrs. John Hagelstein, tore off the ceiling over the restaurant and the Tribune office trusting that the elements would be good. But they were instead, and well, we had a lovely time. The office was closed for the remainder of the week but opened Monday morning with the sun shining out of doors and everyone happy. The Hagelstein restaurant is no more. Mrs. Hagelstein was enjoying a splendid treat but the elements and the fact that she had no sense makes the past history of the restaurant. Mr. Parmenter is improving the exterior of the block formerly owned by James Camb and will install a saloon and hotel soon.

A mission commencing Sunday Nov. 24, at the 8 o'clock mass and ending Sunday night Dec. 1, will be held in St. Mary's church. This mission will be conducted by Rev. Denis G. Needham and will be of great interest to both Catholics and non-Catholics. On the last night of the mission, candidates will be received into the Holy Name Society.

Saturday morning, Thomas Larweth, known here as Thomas Moyer, was granted a decree of annulment of marriage, by Julia Larweth. The hearing was before circuit Judge Geo. W. Smith and was given largely on the testimony of Julius Bogar who came from McKeesport, Penn. as a witness. It was the decision of the court that no legal marriage had ever been performed.

Last Wednesday evening occurred the first concert of the series in the Red-Patch Lyceum course of the Methodist church under the auspices of the Morrison Bible class. Although the night was perhaps the rainiest and the wettest in this fall's history yet the attendance was splendid owing to the forethought of the class selling season tickets. Secure your ticket for the remainder of the course from any member of the bible class.

Among the many things that the women may do, now that the Equal Suffrage amendment passed so gloriously in our state, lay within our own village. Let the women know why the garbage ordinance and the curfew ordinance is not in working order. Let them know why these ordinances are passed and made legal and then never enforced. Let them put the curse of liquor out of our village and county and state and in fact, work and build for everything that counts for a clean and progressive village, county and state. We suggest that the women who see these needs form a working league or else persuade the men to allow them to work with the Welfare league toward the betterment of Royal Oak.

Garrick Theatre.

The attraction announced to appear at the Garrick Theatre next week is Henry W. Savage's "The Prince of Pilsen." This highly esteemed musical comedy occupies a prominent place in the hearts of music lovers, and the forth-coming presentation will undoubtedly welcome his former appearance. The company, this season is the best to which the fortunes of this favorite have ever been assigned. "Joss Dandy in the role of "Hans Wagner" is the head of the organization and as Mr. Dandy has played this part for more than twenty-five hundred times, his acquaintance with the role may well be called intimate. Lottie Kendall who plays the sprightly widow has already scored a success in this musical comedy. Norma Browne, as Sidonie, the French maid sings and dances divinely. Edna Wallack, another performer will have the role of Nellie Wagner. In the list of principals are Arthur Hull, Fred Lyon, Bobby Wolsley, Dorothy Delmore, John O'Hanlon and others.

The special orchestra, which is an important factor in the general effectiveness of the performances, will be directed by Emil Bierman. The large chorus combines in a rare degree the quality of vocal excellence and personal charm. The costumes and scenery are brand new.

WHEN THE EDITOR DRINKS CIDER.

A Missouri editor who was brimful of hard cider got a wedding account and a sale mixed, and served to his readers this dope:

"Will you be the only son of Mr. and Mrs. Josiah Smith was disposed of at auction to Lucy Anderson on my farm, one mile east of here in the presence of 70 guests, including the following: to-wit—Two males, 12 head of cattle. The Rev. Jackson tied the nuptial knot, the least weighing 1,250 pounds on the hoof. The beautiful home of the bride was tastefully decorated with a Jersey calf, a saddle, a suit of rags, one feed grinder, one set double harness, almost new, and before the ceremony was pronounced, Mendelssohn's wedding march was played by one milch cow five years old, one Jersey cow, carrying a bunch of flowers and looking charming in a gown made of a light spring wagon, two boxes of apples, two racks of hay, one grindstone, messaline trimmed with about 180 bushes of spuds. The groom is a well known and popular young man and has always stood well among society circles of 12 Berkshire dogs, white the bride is an accomplished and talented school teacher of a splendid drove of Poland-Chinas—pedigree if desired.

Among the beautiful presents were two sets of knives and forks, one spring harrow, one wheelbarrow, one goat-cart and other articles too numerous to mention. The bridal couple left yesterday on an extended trip, term of 12 months time, intended to responsible parties, otherwise not possible. Luncheon will be served at the table. After this Mr. and Mrs. Smith will go to house keeping in a cozy home at the corner of Main and Doctor R. L. Grandy, auctioneers.

MOST ASTONISHING PRICES

On Ladies' High-Grade Coats!

I Cannot Too Strongly Express the Greatness of the Values I Offer at This Sale

REASONS FOR IT

I had already sold out my season's supply of Coats and I thought the matter over in this way: I am selling about \$2,000.00 worth of goods a week at an expense of only about 5 per cent; I have no dull season to look out for. Handling so many lines business is good with me the year around. Within a 5c or 10c car fare off my store are thousands of intending Coat buyers; many have come here from Detroit, Highland Park and Pontiac, and bought at my regular low prices. Why not go to the manufacturers and if I can get some close-out prices on a large quantity of Coats, put them down to almost bare cost and run a sale that will more strongly than ever call this store to the attention of economical buyers who desire high-quality goods at the great values offered here.

THE RESULT

So I went to the factories and stated my proposition. The result was that I bought hundreds of good Coats for Men and Women that I am now offering at really less than what merchants have been paying for these Coats at wholesale. It may seem unbelievable, but I know you will find Coats here at less than half what is being asked elsewhere. If your friend has bought a Coat elsewhere, fetch her and the Coat along and compare.

GUARANTEED SATISFACTION

There is not much pleasure in buying an inferior article even at a bargain price, but there will be pleased satisfaction in the superior qualities you will receive here at these wonderfully low prices.

Don't let expense or distance keep you away from this sale.

This is a splendid place to trade anyhow, for I am doing a city store's volume of business at a suburban store's expenses, and that means extraordinary low prices. Just a few of the prices on

GEO. KIBBEY, Prop.

Professional Wife.

A local pugilist was brought before a police magistrate charged with assault. Said the magistrate: "Prisoner, complainant says that you willfully and maliciously knocked his hat off."

Up spoke the accused, pride in his voice: "No, your honor, I didn't knock his hat off; I knocked him from under his hat."
