We find of late that we do not have time Wednesdays to take items over the phone of church notices, notices of meetings of societies etc. When we start Wednesday mornings, we have not failed yet in two years past to have more work on the copy hook than we can possibly set through the day, that is written copy and that has come in on time and should be set in preference to copy coming in on Wednesday. So friends if you have meeting notices don't wait until Wednesday before ending them in, for Wednesday is filled full of work early in the morning. Don't forget it.

One of the "good" times long to be remembered by the members of Birmingham Lodge No. 149 K. of P. took place last Wednesday night when thirty-five members at 6:30 o'clock boarded a special car at the D. U. R. waiting room and was whizzed southward over their tracks to Detroit when a large gathering of Knights from this section of the state took place. The gathering was for the purpose of initiating into he order a class of 245 candidates. The members and candidates meet at the Elks Temple and at 7:30 o'clock, headed by a band of forty pieces marched to Harmonie hall where the degree work exemplified in amplified form by members of Wayne lodge. Every Lodge present was represented with candidates those from Birmingham were Dr. Geo. Raynale, Loren Staugh, Glen Watkins and Dr. Haynes. After the exemplification of the work the Grand Lodge officers gave some very interesting remarks after which cigars were passed. Our boys arrived home at one o'clock in the morning in as good spirits as when they left the night before, voting it one of the best. Many thanks are due Brother Miner as chairman of the committee on transportation for the excellent arrangements made.

Goitre Now Curable

Reliable Treatment Found by an Emenent Doctor---You Can Test It Free

It seems absolutely certain that at last there has been found an effective remedy for Goitre, the unsightly and disgusting tumors that disfigure the neck and sap the strength and vitality of otherwise healthy and attractive men and women.

Some years ago, Dr. W. T. Bobo, of Battle Creek, Michigan, discovered what he believed to be a successful treatment for Goitre. This belief was strengthened by the fact that hundreds of sufferers stated they were permanently cured in a few weeks by this remarkable remedy.

One grateful woman writes that Dr. Bobo's sample treatment cured her goitre. Another tells us that one month's treatment completely cured her goitre. Still another writes: "One month's supply entirely cured my goitre." These are but extracts from the hundreds of letters received by Dr. Bobo, from patients who state they were cured.

If you suffer from Goitre, write today to Dr. Thomas Bobo, Suite 86, Minty Block, Battle Creek, Michigan, and he will send you free a regular $5 treatment of this effective Goitre remedy, to prove that it can accomplish for you.

Dr. Bobo authorizes us to make this free offer to Goitre sufferers. Nov 4-2

Home Builders Want Good Lumber

In fact, most of them absolutely insist on getting the best that their money will buy, and in that particular we heartily agree with them, because that is just the way we buy all our Lumber. It must be strictly up to the grade. There are some manufacturers, however, who interpret grades more liberally than others, and you can bet your last dollar that we know who they are. Because of this inside knowledge we're not afraid to put our Lumber up against any in the country. Come in and look this Lumber over and let us make you prices.
