Met on Monday Night and Elected Directors and Appointed the Standing Committees.

A meeting of the citizens League was held last Monday night in the Jonston-Shaw Hall at which By-laws were adopted and the Board of Directors completed by the election of seven members.

The officers elected at the previous meeting were as follows: Richard B. Hewitt, Pres. E. A. O'Neal, Vice Pres., Howard B. Haynes, Secretary, Frank A. Gordon, Treas.

The League now has a membership of 75. The president reported that he had presented to the Trustees of Birmingham at their last regular meeting, a petition to have a night watchman for the village.

It was the consensus of opinion of the members present at the League meeting that a fire department is a badly needed organization.

It was suggested by a member that a grievance committee be appointed to receive complaints of injustice for the neglect of duties either by members of the League or Public Officers.

The Board of Directors, however will constitute themselves such a committee and give consideration to any complaints made in writing and filed either with the President or secretary at their next regular meeting.

A meeting of the Board of Directors was held immediately after the League meeting adjourned, at which a quorum was present.

Will Give Their First Concert in the Methodist Church on January Tenth.

The Birmingham Choral Society will give a concert on Friday evening January 10th in the Methodist church. This society was formed in October of this year and has made very rapid progress.

The concert consists of about sixty voices and the four parts are exceptionally well balanced. The society has outlined a rather pretentious program for the year's work.

The program for January tenth is a pleasing one. There will be two choruses by the society, a men's chorus, a quartette, and a chorus of women's voices besides solos.
