**Deafness Cannot Be Cured.**  
By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of 10 are cured by catarrh, which is nothing but an inflamed condition of the mucous surface. We will give \$100 for any case of deafness cured by catarrh that cannot be cured Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY, Toledo, Ohio.

**"Clean Up the Bowels and Keep Them Clean"**

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says: "Almost all my troubles with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their delicate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the Bowels and keep them clean" is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures. Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.  
Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found in your neighborhood, return the box to your druggist and he will return you a box.

**Garrick Theatre.**

For a special attraction Christmas week, the Garrick Theatre, Detroit, offer its patrons the popular dialect comedian, Sam Bernard, remembered for "He Came From Milwaukee" and "The Rich Mr. Hoggensheimer" who will be seen here in a musical comedy adapted from the Evening of Hennepin. It is called "All For the Ladies," and the book and lyrics have been written by Henry Blossom and the music by Alfred G. Robyn. These gentlemen have many successes to their credit, among them "The Yankee Consul" on which they collaborated for Raymond Hitchcock.  
The production has been staged by Ned Wayburn, and the costumes, which are said to be unusually expensive and elaborate, designed by Melville Ellis and executed by Joseph of Fifth Avenue.  
The scenes of the comedy are laid in Paris. They show a dressmaking establishment in the Rue Vignon, a famous establishment in the Rue de la Paix and the living rooms in a fashionable residence.  
There will be matinees on Christmas day and Saturday, and seats may be secured now by mail, at the box office. Be sure to see this wonderful display of gowns when you are in Detroit doing your holiday shopping, as the company goes direct to New York and does not play to any other city in this state.

**The Danger Signal in Investment.**

The newspapers have certainly featured the failure of the International Lumber and Investment Company. The officers have been arrested, and that is about all the satisfaction the people who invested six and a half million dollars in this swindle have to date. The Post Office authorities say that this particular swindle caught the rich as well as the poor, and that the appeal to greed was impossible interest returns.  
A straight business proposition at home has little attraction for small investors. They do not realize how little their small savings count in the world of business and finance. They are lured away from the strong bank at home, whose safety they know all about, by the "promise of figures," the "romance of the improbable, if not the impossible." The truth of all experience is against them. They are unimpressed by the repeated announcement that a 3-1-2 or 4 per cent. issue of bonds of some city or great and sound corporation is largely over subscribed. It is the "wise money" of investors that offers itself to these safe enterprises. They are never on the bargain counter or hawked by peddlars. The earning power of investment money is as firmly fixed as standard merchandise. The per cent. of PROMISED returns is the danger signal in investment. In its saving department the
