

A Butcher Who Sells a Lot of Meat Can Sell it for a Smaller per lb. Profit

That profit-sharing idea ours is based on VOLUME OF BUSINESS, or it would be mere talk. If we sell two pounds of meat instead of one, we can thrive on a smaller per pound profit. We want the patronage of all those who would appreciate being able to save something from usual prices on every meat purchase. Our Vegetables and Fruits are strictly fresh. Our Butter and Eggs ditto. Our prices right--our stock large. We solicit a share of your patronage.

R. D. NO. 1

District No. 7 was to have had a Christmas tree, but it is all off so said the Board of Health.

At the Ys girls are home to enjoy a good square meal of mother's cooking, turkey prelooming.

R. R. boys all received a fine and handsome Christmas gift from the Birmingham Department store, and all return grateful thanks.

Ren. Bell has been sick for three weeks with grippe. His new one on the gain. His mother, Mrs. Mary Bell is down with a very bad cold.

The M. E. Bazaar held at the Town Hall last Friday night was a grand success. A good crowd, a fat purse, and a good time for everybody.

Miss Margaret Young of Pontiac, was a caller on her many friends both in Birmingham and Southfield, a few days last week. She is now on the gain.

On the Starr Seed farm they are making a lot of new improvements, repairing down all old buildings, and putting up new ones and cleaning up in general.

Elmer Rose and family on the Ren. McKinney farm near Redford, are spending the holidays at Cadillac, and Harry Martin's wife are looking after the farm.

Up to this date all the R. R. boys are faring fine by being remembered by their patrons, and they, one and all, wish to return their hearty thanks for these holiday gifts.

Major Russell Wood is enjoying his Christmas by being able to set up after being confined to his bed for the past two months. Dr. Hilly says that he will bring the young man 'round in fine shape all in good time.

Deafness Cannot Be Cured. By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of 10 are caused by a fault of the mucous lining of the eustachian tube. Deafness that cannot be cured by local applications, can be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CROSBY, Toledo, Ohio.

ALL OVER

W. H. H. C. was in Franklin Thursday. The appearance of winter just in time for Christmas.

Herbert Master, of Southfield, recently suffered a broken wrist.

John Weiser, of Bloomfield, is on business in Brighton and vicinity.

Chauncey Nixon is gaining slowly from that accidental fall of about eight feet striking on his back.

Jacob Rikeshush and wife, in Sterling, spent last Sunday with her folks at the Gambles in Detroit.

Mrs. Alfred Curran recently by accident stepped upon a nail and is now limping. Looking out always helps avoid accidents.

W. H. H. Codnor is traveling with a horse and will soon be to your house to attend to extending your reading at a bargain. Watch for him.

By some means a fine 3-year-old mare owned by Joseph Bowers, of Troy, ran a pine splinter into one of his hind legs, making a bad wound. Dr. Baldock, of Birmingham, has the case.

Pleasant Ridge

Jasper Winstanly celebrated his 21st birthday last Saturday.

Mr. John Parker paid us a short visit on his way to California for the winter.

A. R. Farquier and family are spending the Xmas holidays with Mr. and Mrs. Geo. B. Marientay.

Mrs. E. D. Hutton and Mrs. R. L. Kennedy attended the public installation of the officers of Corinthian Masonic Lodge, Detroit last Tuesday evening.

The Xmas exercises of the Pleasant Ridge school were held Friday afternoon last. An enjoyable program was furnished by the pupils, and the parents present expressed much satisfaction with the progress of the creditable manner in which the children acquitted themselves. At the conclusion of the exercises, Santa Claus opened his pack and presented each pupil with a pleasing gift, this was followed by a treat of candy and apples. Before dispersing, Mr. Geo. B. Marientay made an address and offered a resolution of thanks to the teacher, Miss Davis, for her interest in the welfare of the children.

Dr. Miles' Anti-Pain Pills Used by thousands for a generation

Those who have suffered from neuralgia need not be told how necessary it is to secure relief. The easiest way out of neuralgia is to use Dr. Miles' Anti-Pain Pills. WOODROW WILSON on Responsibility

"That provision for others which is the fundamental 'responsibility' of human life."

Governor Wilson was discussing the "co-operation in economy" when that pearl of rhetoric dropped, shining from his lips. This subject of responsibility is as old as the human race and as new as today--our responsibility to each other in a general way and to ourselves, our families and dependents in a more intimate way. As in this instance the theme is generally one of academic discussion and it seems to us that what the preacher terms the "sin of procrastination" is applicable when the subject comes home to you and I for determination. Are we realizing the "fundamental responsibility" of making provision for old age, for dependents, for the rainy days of human experience? Are we TOLLING our earnings to meet responsibility? And are we so carefully husbanding that saving that it will give no uneasiness of mind concerning its SAFETY, not subject to the easy temptation of spending or careless investment? Is it ready for the OPPORTUNITY that comes in every man's life, the EMERGENCY of sickness or disaster? Is it in some strong Bank, like the
