FOLEY'S HONEY AND TAR

for children's use, safe, sure. No opiates

FOLEY'S HONEY AND TAR

for children's use, safe, sure. No opiates

CHILDREN INJURED.

Ordinary Cathartics and Pills and Harsh Physic Cause Distressing Complaints.

You cannot be overcareful in the selection of medicine for children. Only the very gentlest bowel medicine should ever be given, except in emergency cases. Ordinary pills, cathartics and purgatives are apt to do more harm than good. They may cause griping, nausea and other distressing after-effects that are frequently health destroying.

We personally recommend and guarantee **REXALL** Orderlies as the safest and most dependable remedy, which we know, for constipation and associate bowel disorders. We have such absolute faith in the virtues of this remedy that we sell it in every instance where it fails to give entire satisfaction, and we urge all in need of such medicine to try it at our risk.

Rexall Orderlies are eaten just like candy, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoea, nausea, griping, excessive looseness, or other undesirable effects. They have a very mild but positive action upon the organs with which they come in contact, apparently acting as a regulative tonic upon the relaxed muscular coat of the bowel, thus overcoming the tendency to relax and restore the bowels to their most vigorous and healthy activity.

Rexall Orderlies commonly completely relieve constipation, except of course when of a surgical character. They also tend to overcome the necessity of constantly taking laxatives to keep the bowels in normal condition. Three sizes of packages, 10c, 25c and 50c. Remember, you can obtain Rexall Remedies in Birmingham only at our store—The Rexall Store.
