How to Select Best Seed Corn

By PROF. R. A. MOORE, Wisconsin College of Agriculture

The Girl (who has been suffering from sore throat) The doctor told me that I must never talk for more than two minutes at a time.

No Wonder the Blushed. Two of the University of Pennsylvania track runners passed a learned and preoccupied professor showing a young woman visitor through the "Gardens."

With a dainty silver, the girl remarked. "It's dreadfully cold—isn't it to be without stockings?"

What is in a Name? A Chicago man who hardly knew one time from another made the mistake of taking a knowing woman to a concert at Orchestra Hall.

Cold Welcome. A clergyman in a small town was deploring the fact that none of the couples that came in from the country to be married stopped at his house for the purpose.

JAPANESE MERCHANT RAISED IN SOCIAL SCALE.

Heresetofore Only the Soldier Has Been Looked Upon as Following a Worthy Calling—Emporer Has Changed This Idea.

Japanese business methods have been widely criticized, especially in the last few years, as lacking those standards of commercial honor which prevail among Occidental nations.

Why is it that the Japanese are so dishonest that they cannot even trust themselves and they have to employ Chinamen at the head of all their great business concerns?

He explains this almost universal impression by saying that the average tourist usually has mistaken reactions only with the branches of the three great banks established in the treaty ports.

There is a historical reason for the fact that in the olden days in Japan the merchant was placed at the bottom of the social scale.

But even though the "take of custom" is the hardest to break, it is the power of resistance that has already materially weakened by the wide policy of the emperor and the merchant.

The Mitsui family of Japan have been called the Rothschilds of the east; but while the fame of the latter has gone abroad over the world.

Model Sermon. A correspondent, a churchman, somewhat moved by a paragraph regarding sleeping in church, wrote that he has no particular objection to the congregation going to sleep.

Wise Woman. "Now for \$2," announced the star gazer. "I will furnish you with a chart which will make your husband love you to the exclusion of all others."

PHYSICIAN SAID ECZEMA CAME FROM TEETHING

"When my little girl was about eight months old, she was taken with a very irritating breaking out, which came on her face, neck and back.

"I consulted our physician and found she was suffering from eczema, which he said came from her teething. I used the ointment he gave me and without any relief at all.
