Real Joy. There's joy in the smile of an artless child. There's joy in a mother's eye. There's joy in the spring when the song birds sing. There's joy in a lover's sigh. But such joys all pale and pass away like a dream when the joyous thrill of the woman who knows that her new-born child give her it wals a nervous child.

He "Ate Up" Everything in 5 Min.

Slang has at last compelled the court to make judicial notice of it. An embryo in reference to his former letter to a girl he was compelled to go to the court, on appeal from a court for damages for an injury to a girl from the breaking of the neck (throughout) by Staver carriage company, 123 E. 11th Ave. 1919, refused to hold that he acted "reasonably" and "prudently."

"We will take notice of slang phrases which obtain in this time in all walks of life, and not do violence to apparent intention by indulging in a literal interpretation of the words used, when such interpretation would do violence to the plain meaning intended by the words when taken in the competition in which they were used." In summarizing the bill as "rotten" plaintiff plainly intended to convey the idea that it was his opinion that the loose lap was a menace and danger to himself.—West Publishing Company's booklet.

CAUSE FOR ALARM.

Loss of Appetite or Distress After Eating a Symptom that Should Not Be Disregarded.

At appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicates indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat, but what you digest and assimilate that does you good. Some of the strongest, heaviest and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Birmingham who suffer from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality if, after reasonable use of this medicine, they are not perfectly satisfied with the results.

We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be the best equal. They give very prompt relief, acting to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c box of Rexall Dyspepsia Tablets, which gives 15-day's treatment. At the end of that time your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—the Rexall Store.
