a contract with the district. McClure took the position that he was entitled to his pay, having furnished the wood and he acted on the strength of a resolution adopted at the annual school meeting of the district when it had authorized him to provide the wood. When some of the members of the Masonic fraternity went to their temple one day last week they were horrified to find that a stranger had preemptorily taken possession of their building. He was not a member of the fraternity, leastwise when discovered he did not give the proper signals of distress and it was evident that he had been in distress for some time, judging from the looks of the kitchen in the basement of the building. The doors were mutilated and evidences of other damages were discovered on all sides. After a careful search was made the intruder was finally discovered which proved to be a muskrat of enormous size, in fact Charles Allen and others, whose words are above reproach for truth and veracity, stated that his ratship was nearly as large as an ordinary sized bulldog. With the combined efforts of several members and a dog he was dealt a stunning blow on the head. How his ratship got into the basement and how long he had remained there is a mystery, as several of the brothers stated they had not made any specific arrangements for a muskrat feed at any time, for if they had his presence might have been accounted for.

Five were baptized at the evening service last Sunday and more are expected in the near future.

WILSON REID, pastor.

Almost a miracle. One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clewiston, Texas, was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by 10 bottles. Now he is sound and well and weighs 210 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results. It's quick, safe, reliable and guaranteed. Price 50c and \$1. Trial bottle free at C. J. Shain's."
