

# Royal Oak

Latest From Our Sister Village

Harley Coon, of Dearborn, was in town Friday. William Gillette was at Lapeer Friday on business.

Mrs. A. I. White, of Birmingham, was calling on friends here last week.

Attorney Cameron Roberts, of Detroit, was a business caller in town Friday.

Miss Tutie Wilcox still continues very ill at her home on the Ten-mile Road.

There will be a special meeting of Royal Oak Lodge, F. & A. M., Friday evening.

Mrs. Maggie Maxwell, of Highland Park, was calling on relatives here on Friday.

The case of Gillette & Heaven vs. A. L. Wyreck was settled out of Court last week.

Dr. Percival Huet of Detroit will give the Commencement address of the high school.

Miss Clara Rastenburg is taking the place of Miss Stella Wheeler in the post-office.

E. G. Ford, of the Palace Market, has purchased the milk route of Stanley Todd, of Birmingham.

Every subscriber of the Telephone company may have a new directory by calling at the office in the Central block.

Arthur McClelland and Elmon Knowles have been appointed appraisers in the estate of the late Robert S. Brown.

John Tillotson, a former resident here but now of Mt. Clemens, was calling on old-time friends here last week.

Several Masons from here attended Birmingham Lodge last week Thursday evening, and report having spent a very pleasant evening.

Wm. Marshall fell last week and broke his right arm at the elbow in two places. He is getting along as well as could be expected under the circumstances.

August Quandt bought from H. Bachert, the house and lot on the corner of First street and Washington ave. for \$3100. The sale was negotiated by the Suburban Realty company.

Mrs. W. Wilcox gave her daughter, who was ill, 10 drops of iodine by mistake for laudanum, and for a time was very much alarmed. The patient experienced no bad results from it, however.

Thirty acres known as the Rice property on the Mill road between the Nine and Ten Mile roads, has been sold to D. Higginbottom, a Detroit capitalist. The Suburban Realty company negotiated the sale. The consideration has not been made public.

The Palace Market has undergone another change of management. This time A. W. Ford has purchased the interest of his partner and brother, E. G. Ford and will conduct the market in better-than-ever fashion. We want to especially call your attention to the change of add for the Palace Market.

Woman suffrage seems to be the chief topic of conversation among the fair sex here. Won't it be immense when it comes to pass that we have women lawyers, judges, policemen, etc. We know of several young men in this vicinity who are anxiously awaiting that event so they can be pinched nearly every day.

Master James Sinclair, son of Mr. and Mrs. Earl Sinclair, escaped a sure death last week when Henry Collins' new auto "met him" on the corner. The lad was crossing the street pushing a cart, as boys love to do. Suddenly the auto came straight toward him, and upon slowing down the boy supposed he was intended to go ahead, as did many witnesses. But the auto suddenly turned the corner, striking the cart squarely and reducing it to kindling wood. James was picked up and taken to his home in an unconscious state.

Mrs. William Sullivan was taken to Harper hospital Monday. Mrs. Sullivan has been very ill for some time.

Twenty-eight women voted on the bonding of the school district for a new school site. Who says women do not wish the privilege of voting?

Mrs. Harry S. Gardner, president of the Woman's club, spoke before the Literary club of Birmingham Tuesday on the recent reforms which the Royal Oak club have succeeded in obtaining for the good of the village.

Out of 500 legal voters who could have cast their ballot on the school question in the right direction, 132 deemed it of sufficient importance to come out. That is good but not good enough. Still it is better than last time when but three legal voters appeared and three of those were members of the Board. Should we complain when the Wrong sometimes wins?

Careful legal scrutiny on the part of Attorney George A. Dondero has revealed the peculiar forgery of signatures on an abstract executed 20 years ago. Last week Attorney Dondero was called upon to examine the title of some village property in which he discovered a missing link in the chain of title. Before a quit-claim deed could be obtained from the heirs-at-law in New York to correct the defect, it was discovered the deed had been executed in 1893. Later, the deed was found in a Detroit lawyer's office and was said to have been recorded. But this transaction did not appear in the abstract. Mr. Dondero sent the abstract to Pontiac, and here appeared the peculiar features. The deed had been forged pure and simple, and was never properly recorded. William T. Mathews, then Register of Deeds, has written on the deed his belief that his name had been forged. No reason for the forgery has appeared to date, yet perhaps some day the mystery will be cleared. Truly Attorney Dondero is a modern Sherlock Holmes.

## To Every Man—

Experienced in the use of a Silo, our IMPERISHABLE Silo strongly recommends itself. Made from vitrified clay, it stands to reason that it can never crumble or decay. Neither will it shrink, swell or absorb moisture from the ensilage. All forms of concrete will absorb moisture, which will cause the ensilage to spoil more or less next to the wall. A well-reinforced concrete Silo will cost as much or more than our "IMPERISHABLE." Our Silo is given immense extra strength by use of a patent channel block in which steel bars are buried in mortar, protected from air and concealed from view. This form of construction is used in grain tanks 100 feet high. Customers are protected by a warranty.

## Hanna's Green Seal "The Made-to-Wear Paint"

If you expect to do any painting, you are interested—you should be—in the quality of the paint to be used. In any given job of painting, labor represents practically two-thirds, material one-third the cost. It stands to reason that with so much expense in labor, the enduring quality of the paint is all important. Why have the painting done unless the protection and durability of the job is sought? How is one to determine the true value and obtain paint that may be depended upon for durability? HANNA'S GREEN SEAL PAINT IS NOT A SECRET. This paint has the printed formula on every package. The makers have confidence and take pride in the quality and tell the public the composition of the paint.

IS THIS OF ANY VALUE TO YOU? IT OUGHT TO BE. FOR SALE BY W. H. Hoge & Co. Birmingham Michigan
