

ROYAL OAK

Lawrence Brown is taking treatments at Mt. Clemens.

Mrs. M. Robinson made a business trip to Pontiac last week.

Mr. and Mrs. Wm. Springer of Detroit called on friends here Sunday.

Mrs. Fred Curtis, of Birmingham, has been the guest of friends here for several days.

Miss Louise Rossman of Jackson spent Saturday and Sunday with her sister Mrs. E. S. Bristol.

Mrs. Arthur Collins of Detroit was the guest of her sister Mrs. Arthur McClelland Saturday.

The band boys are making great preparations for the Memorial services for Memorial day. All the churches are requested to be represented by their choirs. The program will be published later.

Receptly Mrs. Wm. H. Penney learned by long distance phone that her brother had died at Alberta, in the Canadian northwest, and his remains were being sent to the old home, Brampton, Ont., for burial. On Tuesday she started for that place so as to attend the funeral and expects to remain there a week.

A petition was granted Carl G. Hartwig for a discharge of mortgage which was found to cloud the title in the property sold to W. G. Pringring for a factory site. The hearing was before Judge Smith of the circuit court of Pontiac, who granted a decree discharging the mortgage. Attorney George A. Dondero appeared for the petitioner.

June 14 is the date announced for the commencement exercises of the Royal Oak schools. The school has been very fortunate in securing Dr. J. Percival Hugue pastor of the First Congregational church of Detroit. Rev. Hugue is a forceful speaker and will bring a message worth while to our citizens. A man of the west with Lincoln scope of thought is the Hugue type. Remember the date and plan on this rare treat. Last year at the republican banquet Rev. Hugue filled the place of Rev. Gunsalus of Chicago in an admirable manner and those who heard him then speak very highly of his ability as a speaker.

The Demons of the Swamp Are mosquitos. As they sting they put deadly malarial germs in the blood. They follow the chills and the fever of fever. The appetite flies and the strength fails; also malaria often paves the way for deadly typhoid. But Electric Bitters kill and cast out the malarial germs from the blood; give you a fine appetite and renew your strength. "After long suffering," wrote William Fretwell, of Lucama, North Carolina, "I have battled with malaria for years from my system, and I've had good health ever since." Best for all stomach, liver and kidney ills. 50c at C. J. Shain's.

33 YEARS AGO

The following items were published in this paper by its present owners. Horace Randall has moved into the house owned by J. G. Barkley, on Mill street.

Born to Mr. and Mrs. John S. Lawton of Troy, a son, William. The Detroit Post and Tribune building was destroyed by fire Sunday morning. With the aid of the Free Press no time was lost in issuing the news.

Alex Parks was dragged across the street by a runaway horse. Results of the accident were two wagons demolished, a badly wounded horse and the loss of one corner of Dr. Hewitt's law office.

Mrs. Electra Keyes, upon returning from a four days sojourn in the country, found her home topsy-turvy. The Tonies had held a reunion in honor of an honorary member, Miss Mary Simonsen of Linden.

Miss Mary Donaldson, a former resident, is the guest of Miss Mame Utter.

Cyrus Jarvis is building a large residence for John Roche, near the cooper shop.

Mrs. Mortimer Smith hung eighteen rolls of wall paper for Mrs. M. I. James.

The Evening News' third annual excursion to the White mountains and Quebec takes place in July.

The "Franklins" and the "Sooners" of Birmingham played a tie game of base ball. Ed Adams of the Franklins made a wonderful catch of one of Till Townbridge's "hits." Adams was not a success as a batter and was not allowed to go to bat the second time. This was not noticed by the "Sooners" until the game was ended.
