**Home Builders Want Good Lumber**

In fact, most of them absolutely insist on getting the best that their money will buy, and in that particular we heartily agree with them, because that is just the way we buy our Lumber. It must be strictly up to the grade. There are some manufacturers, however, who interpret grades more liberally than others, and you can bet your last dollar that we know who they are. Because of this inside knowledge we're not afraid to put our Lumber up against any in the country. Come in and look this Lumber over and let us make you prices.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is cataract. Hall's Cataract Cure is the only positive cure now known to the medical fraternity. Cataract being a constitutional disease requires a constitutional treatment. Hall's Cataract Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & Co., Toledo, Ohio. Sold by all druggists, 75c.

Take Hall's Family Pills for constipation.

**Heart Disease Almost Fatal to Young Girl**

"My daughter, when thirteen years old, was stricken with heart trouble. She was so bad we had to place her in a room near a window so she could get her breath. One doctor said, 'Poor child, she is likely to fall dead any time.' A friend told me Dr. Miles' Heart Remedy had cured her father, so I tried it, and she began to improve. She took a great many bottles, but she is spared to me today, a fat, rosy child, and she can now engage in her usual avocations."—A. H. CAMERON, Worth, Mo.

The unbounded confidence Mr. Cannon has in Dr. Miles' Heart Remedy is shared by thousands of others who know its value from experience. Many heart disorders yield to treatment, if the treatment is right. If you are bothered with short breath, fainting spells, swelling of feet or ankles, pains about the heart and shoulder blades, palpitation, weak and hungry spells, you should begin using Dr. Miles' Heart Remedy at once. Predict by the experience of others while you may.

**The Man Who Wins**

The man who wins is the average man. Not built on any particular plan. Not blast with any particular luck. Just steady and earnest and full of pluck.—Barrett.

Isn't this an inspiring thought? The men who win are the average men—like you and I, and the men we rub elbows with in the shop, the store, the factory, and on the farm! Just average men! Men with a mission and a purpose! The mission to make for themselves an honorable place in the world in which they live; the purpose to fulfill the obligations of life. Is there any obligation greater than that of making provision for age and dependents? To provide for the "rainy days" and to grasp opportunities. Did you ever sit down with a quiet hour of inspection and ask yourself if you are making an honest effort to safeguard the future that is as certain as tomorrow? Ever think how trifling are the pleasures of the hour compared with the real pleasure and satisfaction in the sacrifices and self-denial of making provision for obligations? Ever realize what a credit account in some strong Bank like the

**Overland**  
A Foreword About 1913

Just before the 1912 season opened we advised the public to wait and see what we had to offer. Thousands of people were rewarded when they bought our famous \$900 touring car, the car that took the country by storm for it proved the equal of any \$1200 car shown during the entire 1912 season. Our advice for 1913 is the same as for 1912:
