

NEWS OF MICHIGAN

Willie Frauenreider, of Marshall, years old, while playing wild with other youngsters, was shot the left eye with an air rifle. He will not lose the sight.

The closing of the public schools at Muskogee Heights following the discovery of an epidemic of diphtheria may be continued a week or 10 days. Thus far no new cases have appeared.

The school board of Coral has notified the principal of the school to prohibit the use of tobacco among students. Investigation showed that boys attending school purchased cigars, cigarettes and smoking tobacco from the grocers of the village.

The sale of Red Cross stamps
