

ENJOY DANCING?

If You are Interested in the Art of Dancing, Read Carefully the Following Article.

One of the events of the coming winter which will make "Life worth living in Birmingham, the Pride of Old Oakland" will be the dancing classes, conducted by Miss Mabel Standart, at the Johnson-Shaw hall.

Miss Standart has studied Folk-Gymnastic-Classical-Aesthetic and Interpretive dancing under the best teachers of Chicago and Detroit, and hopes with the co-operation of the people to be able to make it popular and enjoyable to all here.

A class is now being formed for the married set, commencing early in November.

The young girls' class will include social dancing, as well as Folk and Gymnastic work. This will be a most beneficial work for giving girls taking it place of gymnasium work, thus affording them pleasing as well as profitable instruction.

The little tots will be taken care of in a class all their own, and if they can walk, they are never too young to learn dancing. It teaches them how to handle themselves just at the time when they learn most quickly.

Home-Keeping Women Need Health and Strength.

The work of a home-keeping woman makes a constant call on her strength and vitality, and sickness comes through her kidneys and bladder of four to six weeks.
