Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. JNO. BERRY

Instead of the Bank

Rev. Aaron B. Donaldson, who quit preaching to sell mining stock, seems to have been an original cuss even for the kind of business. He interested a wealthy farmer named Downs, and landed him for \$87,700. He got the farmer for a small "investment" at first and then made love to his only daughter promised to marry her, and then annexed the balance of the old man's wealth. He has gone to the penitentiary for three years and the farmer would have gone to the poor house if he had not hung on to the farm which the preacher-speculator and advisor couldn't carry away with him. The point of interest to you is the fact that there are men, often women, perhaps friends of yours, who have a financial interest in advising you concerning the investment of your savings. If you want to buy a horse you don't permit your bank to advise you but consult a veterinarian, and if you want to discuss investments and problems of finance you probably avoid the veterinarian. If you don't you would probably be advantaged by so doing. At any rate your safety and peace of mind is involved in the investment of your saving for age and dependents and there is assured safety, convenience and peace of mind in the deposit of your money in some strong bank like the

Royal Oak Savings Bank

where it adds its earnings to yours twice a year, and is safe from the foolish, the ignorant and often paid advisor.
