"I would rather sell you a Studebaker"

When your dealer tells you that you know he's honest.

He may have cheaper wagons in stock, but he knows the Studebaker is the best.

And so do you. He wants to give such good wagon value that you will come back and demand a buggy made by the same people.

Studebakers have been building wagons for sixty years and they have won the confidence of dealer and farmer by building—not the cheapest—but the best wagons.

Whether you live in city, town or country, there's a Studebaker to fit your needs: Farm wagons, trucks, business and delivery wagons, buggies and runabouts, with harness for each of the same high quality as Studebaker vehicles.

The "Isle of Somewhere" in the Ocean of Promotion.

When Tom Lawson was buying thousands of dollars worth of space in the newspapers to tell you into which mining hole the ball of wealth was to drop, he touted Nevada-Utah with the eloquence of a better cause. Now nobody caught the spectacular Thomas fragrance delicto, but if you caught Nevada-Utah" hot off the promoter's bat your fingers are still stinging. The Court has appointed a receiver who is now umpiring that particular mining game. It may be a vastly valuable property for all we know, but it sure has been "rigged" to add to the discomfort of the shorn lambs of speculation.

MRS. DAN KINTNER, 102 Pleasant St., Duluth, Ga.

"I had stomach trouble when I was eighteen years old and nervous prostration followed. I would have them that I had for four or five weeks. After trying nearly every remedy recommended, I began to feel better. I bought Nerve and I must say it helped me wonderfully. I have had no severe nervousness for several years." Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nerve has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit. MILES MEDICAL CO., Elkhart, Ind.

Many of our dealers make pretty Easter decorations in their store windows. The drug windows of J. W. Cobb and Charles J. Shain are very pretty.
