CONSTIPATION

Munyon's Paw-Paw Pills are unlike all other laxatives or cathartics. They coax the liver into activity by gentle methods, they do not scour; they do not grips; they do not weaken; but they do start all the secretions of the liver and stomach in a way that soon puts these organs in a healthy condition and corrects constipation. Munyon's Paw-Paw Pills are a tonic to the stomach, liver and nerves. They invigorate instead of weaken; they enrich the blood instead of impoverishing it; they enable the stomach to get all the nourishment from food that is put into it. Price 25 cents. All Druggists.

THOUSANDS PERISH IN FLOODS WHICH DEVASTATE OHIO CITIES

DAYTON COVERED WITH WATER IS HELPLESS AND PEOPLE ARE DROWNED LIKE RATS IN TRAP.

SWOLLEN RIVERS BREAK LEVEES AND SWEEP OVER MANY TOWNS.

Dayton at Time of Highest Tide Has Twenty Feet of Water in Principle Streets of the City With Fires Raging Unchecked.

Fully 5,000 people are reported drowned in the death-dealing floods which swept through Ohio, bursting reservoirs and swelling rivers into rushing lakes.

According to the latest dispatches, 5,000 are reported drowned in Dayton, 1,000 in Hamilton, 540 in Piqua, nearly 100 dead and missing in Delaware and hundreds in other cities through the state.

The four days of steady rain filled every reservoir in the state to overflowing. A big power plant reservoir just north of Dayton broke and poured its thousands of tons of water into the Miami valley. A wall of water seven feet high swept down upon Dayton, carrying all light structures before it. The water continued to pour into the city and hundreds of people were forced to flee from their homes. They had little warning and many of them were caught in the flood and drowned.

The water continued to rise until there was 20 feet of water over the downtown section of the city. Reports from a telephone operator in Dayton flashed over the wire to a suburb when communication was established for a short time that scores of bodies were floating through the street past the telephone building. Later a report from Richmond, Ind., was received that 8,000 were dead in Dayton and then word was received from the mayor of Dayton, who had escaped the flood and reached a suburb with telephone connections, that the dead in this city will number fully 5,000.

The dam at a reservoir just north of Hamilton burst and the town was inundated. The people had no warning and according to reports from refugees fully 1,000 are dead.

In Piqua the swollen river burst the levees and swept through the town. People were trapped in their homes and finally the houses were swept away in the swift current, and it is said 540 persons were drowned.

Mr. Stevens on P. M. Debt.

That innocent stockholders would suffer and the reputation of the state would be blighted if the state made a reduction by force in the debt of the Pere Marquette railroad was the declaration made by Frederick W. Stevens, former general counsel for the road and now with J. P. Morgan & Co., at the close of Friday's testimony before the legislative committee investigating the increase of the funded debt of the Pere Marquette from $25,000,000 to $70,000,000 in 14 years.

He said that all of the stock issued by the Pere Marquette had the stamp of approval of the state of Michigan upon it and was bought by the holders with the assurance of its legality. If the state attempted a forceful reduction of the debt, the common stock would be the first item that would have to be reduced, next would be the $5,000,000 in debentures issued to the stockholders who contributed that sum to the road in 1904, and next would come the $8,000,000 in notes issued in 1911 to defray legitimate expenses, making a total of close to $39,000,000, all of which would come from people who had acted in good faith with the road.

Detroit Suffragists.

A two weeks' open-air suffrage campaign, during which the entire city of Detroit is to be thoroughly covered, opened Saturday night with meetings at the corners of various streets, with stirring addresses by Mrs. Glendower Evans, of Boston, and Mrs. Susan M. Sellers, vice president of the Wayne County Equal Suffrage association.

During the next two weeks six automobiles will be in commission every night. In each of these two speakers will be carried who will address open-air meetings in different parts of the city. The equal suffrage workers, if the weather does not disturb their campaign, have planned to spread the gospel founded on woman's rights in every part of the city and are hoping to win a large following to their cause as a result.

The Balkan War.

The developments of the last week appear to make the conclusion of the Balkan war a matter of only a few days.

Turkey, having no hopes of obtaining more money, has entrusted her interests to the good offices of the powers, and the allies have accepted the powers' offer of mediation.

The supreme court reversed the decision of the Saginaw circuit court granting a verdict of $1,500 to Mrs. Elizabeth Reimers in her suit against the Saginaw-Bay City railway company for alleged injuries.

At the good roads meeting, held in Traverse City, an association was formed to incorporate the West Michigan Highway association.

A fourth division of the second battalion of the Michigan naval brigade will be mustered in at Marquette if that city complies with certain conditions which were outlined at a session of the state naval board. A membership of 60 men must be secured by Marquette citizens before the decision will be formally recognized and they must pay the current expenses of the division.

During the sparrow shooting season the taxpayers of Barry county paid out in bounties $133.86. The number of sparrows killed was 6,693.

The fishing tugs Bos, Dornbos and Anna were released from a field of slush ice off Pentwater Wednesday evening by the Pere Marquette car ferry No. 18, after the small craft, with 10 men aboard, had been at the mercy of the ice floes for 60 hours, with no food other than the little they had taken in their dinner pails at dawn, Monday. The fishermen were furnished with food and fuel by the car ferry.

Association Passes New Rule.

The executive board of the Intercollegiate Peace association at its meeting held at Ypsilanti after the state peace oratorical contest made an important amendment to the constitution of the association providing that any contestant in any other oratorical contest shall be ineligible to the state peace contest.

The new officers of the association are: President, Prof. F. B. McKay, State Normal college; secretary, Prof. R. D. T. Hollister, University of Michigan; treasurer, Prof. T. W. Nadal, Olivet college; vice presidents, Prof. C. H. Woolbert, Albion college, Prof. W. W. Johnston, M. A. C. and Prof. H. D. Larrabee, Hillsdale college. Next year the oratorical contest will be held at Olivet college.

The Eaton Case.

More testimony showing that Mrs. Jennie Eaton, widow of Rear Admiral Joseph G. Eaton, whom she is accused of having poisoned, possessed what may have been a hallucination in regard to his dabbling with deadly drugs, has been brought out.

Charles E. Nordstrom, a private detective, says that last June Mrs. Eaton made an effort to engage him to shadow her husband and obtain evidence for his arrest upon the ground that the admiral was trying to poison his family. Mrs. Eaton is held as the poisoner of the rear admiral.

To Have Ten Ballots.

For the first time in several years there will be three tickets in the field this spring in the three cities and nearly all the townships in Calhoun county.

In this city there will be 10 separate ballots. Besides the state, county and city tickets there are five amendments to the constitution, the local option question and the question of bonding the city for $50,000 for sewers and paving, as well as the question of revising the charter.

Funeral of King George.

The funeral of the late King George, it is officially announced, will take place March 30.

MANY PERISH IN WESTERN STORMS

LOSS OF LIFE IN OMAHA IS OVER ONE HUNDRED AND PROPERTY LOSS IS GREAT.

DAMAGE IN RESIDENCE SECTION IS APPALLING

Three Companies of State Troops are Rushed to Stricken City to Protect Property From Looters

Omaha and vicinity were swept by two distinct wind storms, both of cyclonic intensity, which spread death and destruction in their wakes.

Fire which broke out in many of the wrecked buildings added to the horrors.

The list of injured is expected to reach 700; 100 are seriously injured.

All fires have been put out. During the night, 50 alarms were turned in.

The greatest path of ruin is from two to six blocks wide and eight miles long. This was cut at 6 p. m. Sunday.

The Nebraska state troops have been ordered out by the governor to preserve order and prevent looting.

The Chicago, Burlington & Quincy and the Rock Island lines prepared special trains to be sent to Omaha, carrying physicians and nurses.

The first and main storm struck Ralston, three miles west of South Omaha shortly before 6 o'clock Sunday evening and moved in a northeasterly direction through the city of Omaha.

Ralston was razed to the ground. The only point at which the force of the storm struck the business section was at Twenty-fourth and Lake streets. Here the Diamond theater, a moving picture concern, well filled, was wrecked.

According to the best available figures at least 30 of its patrons were killed. Between 40 and 50 more were killed in the wreck of a pool hall near by, which was patronized by negroes.

The well defined path of the storm ended at Carter lake, near the Missouri river, north of the city. Fire broke out in the debris and wrecked buildings. Fires burned themselves out except in instances where flames were brought under control by volunteer "bucket brigades." The fires added horrors to the twister.

The second storm swept across the Missouri river about 6:30 p. m., doing considerable damage in Council Bluffs.

After visiting the scene of the storm Gov. Morehead issued orders for the mobilization of three companies of state militia from outside the city.

The local companies were already at work assisting the police and regular soldiers from Fort Crook with the city firemen in the work of rescue. Three hundred regulars were called out.

The morgues and hospitals were besieged all morning by friends and relatives of the dead and injured, and others made frantic efforts to learn of the fate of loved ones.

Although a line of soldiers and police was thrown around the path of the storm soon after it had passed much looting was reported.

Just as soon as the magnitude of the disaster was understood by the citizens, a relief fund was started. Within an hour thousands of dollars had been contributed. Many of the city's wealthiest men were back of the movement. Public buildings were thrown open as a place of refuge for the sufferers. The commodious rooms of the Commercial club were among those thus utilized.

Omaha's suburbs suffered heavily from the storm. Ralston, southwest of Omaha, was razed to the ground, and a half score or more are dead. East Omaha, which felt the tail of the twister, reported houses demolished, but no lives lost. Council Bluffs, Ia., suffered nine dead, a score or more injured and great damage to property.

The worst damage was done and the largest toll of lives was exacted in the western part of Omaha and in the vicinity of Twenty-fourth and Lake, and from there northeast to Sixteenth and Binney. This is the residence portion, and the destruction wrought was well-nigh appalling. Whole blocks of homes were picked up and dashed into shapeless mass. Street cars were hurled from the tracks and demolished.

Bemis Park, one of the prettiest residence districts in Omaha, was razed to the ground, and fires dotted the park, completing the destructive work of the tornado.

A monument and marker will be placed on the lot of [illegible] Lafayette through the Arlington Park, according to the decision of Petosega chapter, Daughters of the American Revolution.

Harmon Barnes, of Lansing, awaiting a decision of the supreme court in a case in which he was convicted on a charge of killing a little girl with an automobile, confessed to the police that he was one of a party of three young men who pulled several fire alarm boxes, causing the fire department to make four unnecessary runs.

Announcement has been made that the Pere Marquette system will lay 177 miles of new rails this spring and summer. New stations will be built at Port Huron and Valley Center, and an addition at Alma.

Mrs. Louis Christiancy, of Lansing, was probably fatally burned, when she mistook a can of gasoline for kerosene, and poured the contents onto a fire. Her clothes were nearly burned from her body before the fire was extinguished. She was taken to a hospital, where it is believed she will die.

Thousands of Women

Have Been Restored to Health By Lydia E. Pinkham's Vegetable Compound.

There is no doubt about this fact. Why! during the last 30 years we have published in the newspapers of this country volumes of letters from women who have been relieved of all their suffering by the timely aid of this grand old medicine. Letters like the following, true, genuine and honest expressions of gratitude coming from grateful hearts. **Surely you can believe these women.**

Mrs. L. S. BRENNER, Hudson, Mich., says:—

"Sometime ago I was taken with a terrible pain in my right side, such sharp pains just like a knife sticking me. I tried hot applications but that did no good. I went to our family doctor (we were living in Fayette, Ohio, at that time) and he said it was organic inflammation. I doctored with him a while but kept getting worse. The pain was so terrible I could hardly stand on my feet. I would have that sharp pain in my right side, and a dull heavy pain the whole length of my limb. I realized that something had to be done quickly, so I looked up all of your advertisements I could find, and saw several that described my case. I got a bottle of Lydia E. Pinkham's Vegetable Compound and it helped me from the first dose, and when I had taken two bottles my trouble was gone. Your medicine has done so much for me that I am willing you should publish this letter for the sake of other suffering women."—Mrs. L. S. BRENNER, Hudson, Michigan.

Mrs. L. E. BOWERS, Girard, Pa., says:—

"I take pleasure in informing you of what Lydia E. Pinkham's Vegetable Compound has done for me. I had a sick spell last February, and for some months after that I was not regular and had many bad feelings. I was tired all the time, had dull headaches, not much appetite, and also what the doctor called organic inflammation. Your Vegetable Compound has entirely cured me and I feel that too much cannot be said in its praise as I am now able to do my own work. You are perfectly welcome to use my testimonial for the benefit of others."—Mrs. L. E. BOWERS, R.F.D. No. 1, Girard, Pa.

Mrs. ELIZABETH GENTILCORE, Buffalo, N.Y., says:—

"I feel that I must write to you about your wonderful remedies. Last ten years ago I was troubled with female weakness and was all run down. I was tired all the time and could hardly walk without feeling dizzy. I heard about Lydia E. Pinkham's Vegetable Compound, took it, and also used the Sanative Wash. In a few weeks I got stronger, and have not had those spells since. I feel that I owe my health to you, and hope your remedies will help others as they have me. I t'ld most everything I heard of, and yours are the best medicines for women's ailments."—Mrs. ELIZABETH GENTILCORE, 26 Glor Street, Buffalo, New York.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
