

THE BIRMINGHAM EVENING POST

ONE DOLLAR PER YEAR IN ADVANCE
WHITFIELD & MITCHELL, PUBLISHERS
BIRMINGHAM, FRIDAY, MARCH 19, 1914

Much has been accomplished. It is not only grand but profitable.

When the waters strike one gets one's own thumb into one's own soup.

Yife desertion is on the wane in New York. Due to the increase in women.

Yet it is hard for one to get a hair to get a hair to get a hair.

Eastern men seek divorce because their wife hit him with a tea-cup.

A Russian woman killed her husband in a duel with rapier.

A man of twenty in good health may expect to live forty years longer.

A Johns Hopkins professor has discovered that orange blossoms can be used as an anesthetic.

A New Jersey judge announces that \$43 is enough to spend in gilding a mouse.

German scientists have decided that a man is in his prime at fifty years of age.

A New Jersey minister says it is possible to have no fear of what hereafter consists of.

London women now feed their babies at tables in restaurants.

Duke Pompeia Litta wants to wear pale blue evening clothes.

In being engaged to a blue-haired girl, the bridegroom is very happy.

A Philadelphia woman is said to have cured sleeplessness by using a coffin as a couch.

A Chicago club woman says that in the last 50 years the manners of American men have deteriorated.

A Harvard professor says that planets can fall in love.

A live dog was sent to the Chicago police to be mailed by parcel post.

Arthur Paller, the aviator who set a new record while carrying five passengers in his aeroplane.

Comes complaint from the large city that walking is becoming a lost art.

According to the store women's spring hats are going to be smaller and even pleasant to look upon.

Now comes a college president who says he does not at all want to be demanded of her in society today.

Another good substitute for capital punishment has been found.

From a cursory reading of the crime news one would hardly think that there were only ten criminals in all.

All that is needed to make one of those "invisible" war aeroplanes is a motor in an ingenious gentleman's guide it and an "invisible" motor.

Now some scientists have discovered that there were two gardens of Eden.

A New York dispatch states that the reporters' union struck for a five-hour day.

Somebody in Boston comes to the front with the suggestion that he be compelled to wear aluminum hats.

Now it is announced that the Chinese alphabet has been written downward from 8,000 characters to 25 words.

A pedlar in London who is offering to sell them at a penny each could sell them for a fortune.

PRESIDENT WOODROW WILSON.

WOODROW WILSON
MADE PRESIDENT

Many thousands Witness His Induction Into Office.

CEREMONIES ARE IMPRESSIVE

New Executive of Nation Takes Oath on East Port of Capitol After Marshall Becomes Vice-President.

By EDWARD B. CLARK.

Washington, March 4.—Woodrow Wilson of New Jersey is president of the United States and Thomas Riley Marshall of Indiana is vice-president.

The Bible which during each successive four years is used as the text of the inauguration ceremony.

Both of the ceremonies proper were conducted in a severely simple but most impressive manner.

At the ceremony proper were conducted in a severely simple but most impressive manner.

At the ceremony proper were conducted in a severely simple but most impressive manner.
