

THE DEAREST

Mrs. Wilkes' Fondest Hopes Realized—Health, Happiness and Baby.

Flintburg, Minn.—"Lydia E. Pinkham's Vegetable Compound has proved beneficial to me, for now I am well and have a sweet, healthy baby, and I am happy and contented."

"I think I suffered every pain a woman could feel before I began taking Lydia E. Pinkham's Vegetable Compound, and I think it saved this baby's life, and I feel my first one."

"My health has been very good since, and I praise your medicine to all my friends."—Mrs. W. Wilkes, R. F. D. No. 1, Flintburg, Minn.

The dearest days of husband and wife are when they come to look forward to a child and lovely old age.

Many a wife has found herself incapable of motherhood owing to some derangement of the feminine system, often curable by the proper remedies.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal.

If you want special advice write to Lydia E. Pinkham Medicine Co. (consult) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Between Women's Health or Suffering

The main reason why so many women suffer greatly at times is because of a run-down condition. Debility, poor circulation show in headaches, languor, nervousness and worry.
