FLIRTATIOUS.

She who flirts
And runs away
Will live to flirt
Another day.
But she who flirts
And stays to wed
Must ever keep
Her eyes ahead.
And she who flirts
And stays to wed
Has but to wait
Until he's dead.
And then rush out
With great eclat
And buy a Mer-
Ry Wislow Hat.
And with the hat
And wisdom true
She'll on the watch
Pay number two;
And he who stays
To take a look
Is pretty sure
To get the hook.

Do You Know Ouija Board?

It is more than interesting. It is more than amusing. It is more than mystic rous. It is most baffling. It is most indescribable.

And it is

Enigmatic, Hidden, Secret, Mystic, Inscrutable, Inexplicable, Incomprehensible, Unaccountable, Recordite Occult and MYSTICAL, MYSTICAL, MYSTICAL.

Get a Ouija Board at the Eccentric Office! FREE! FREE!! FREE!!! \$24. For four (4) new subscribers to the Eccentric, at one dollar per year, we will give a large sized Ouija Board, retails at \$1. We have two sizes for sale at 75c and \$1.00 each. Both sizes guaranteed to work.

Directions.

Place the Board upon the laps of two persons, lady and gentleman preferred, with the small heart-shaped table upon the Board. Place the fingers easily and freely. In from one to five minutes the table will commence to move at first slowly, then faster, and then be able to talk or answer questions, which it will do rapidly by touching the printed words or the letters necessary to form words and sentences with the forefinger or pointer.

2nd.—Care should be taken that no person only should ask questions at a time, so as to avoid confusion, and the questions should be put plainly and accurately.

3rd.—To obtain the best results it is important that the persons present should concentrate their minds upon the subject in question and avoid other topics. Have no one at the who will not sit seriously and respectfully. If you use it in a frivolous spirit, asking ridiculous questions, laughing over it, you just naturally get undeveloped influences around you.

4th.—Ouija is a great mystery, and we do not claim to give exact directions for its management, neither do we claim that at all times and under all circumstances it will work equally well; but, we do claim and guarantee that with reasonable patience and judgement it will more than satisfy your greatest expectations. It bewilders and baffles the wisest of them all.
