

THE MURDER OF MRS. HAZARD

Illustrations by V.L. BARNES

SYNOPSIS

Jo and Laura were in the room when Mrs. Hazard was shot. She was killed by a bullet which came from behind. The bullet was fired from a revolver which was in a pocket of her dressing-gown, and before it could be seen it was in a pocket of her dressing-gown. USE ALLEN'S FOOT-EASE

The antiseptic powder to be used on the skin after shaving, or after any other operation, is Allen's Foot-Ease. It is a gentle, soothing, and refreshing preparation, and is the only one of its kind that is so gentle and so effective.

THE RIGHT SOAP FOR BABY'S SKIN

In the care of baby's skin and hair, Cuticura Soap is the monarch's favorite. Not only is it fragrant in purity and refreshing in fragrance, but its gentle emollient properties are sufficient to allay minor irritations, remove redness, roughness and chafing, soothe sensitive conditions generally. Assisted by Cuticura Ointment, it is most valuable in the treatment of eczema, rashes and other skin troubles, burning, itching eruptions. Cuticura Soap wears to water, often outlasting several cakes of ordinary soap and making its use most economical.

Medical Officer—What did you do first of all?
Ambulance Man—Gave 'em some bread.
Medical Officer—Quite right; but what would you have done if you hadn't had any bread?
Ambulance Man (promptly)—I produced 'em some—Punch.

IT'S HARD TO WORK

It's torture to work with a lame, aching back. Get rid of it. Attack the cause. Probably it's weak kidneys. Heavy drinking, overwork, hard on the kidneys, anyway, and once the kidneys become inflamed and congested, they are slow to get well. The danger of running into gravel, dropsy or Bright's disease is serious. Get rid of it. Attack the cause. Probably it's weak kidneys.
