STANDARD ROUTE OF THE WEST

Pacific Northwest holds a charm for all easterners. There is so much that is undisturbed. The rugged grandeur delights even seasoned travelers.

California, with its wonderful seaside and inland resorts, rivals the world for varied attractions. Del Monte, Santa Barbara, Pasadena, Lake Tallac, Yosemite National Park and hundreds more.

Colorado, the state of wonderful mountains and a glorious climate. Colorado Springs, Estes Park, Pike's Peak, Long's Peak, Manitou and other numerous points of interest.

Yellowstone National Park, America's playground. Two weeks spent in touring this wonderland is an education in itself.

We suggest to those with the city as an objective—Denver, Salt Lake City, Portland, Tacoma, Seattle, San Francisco or Los Angeles, from which wonderful side trips are allowed.

Low Summer Tourist and Convention Fares

provide an opportunity to go at comparatively little expense. In effect June 1st to September 30th. Liberal return limits and stop-over privileges.

We have prepared illustrated booklets that explain in detail the advantages of the various resorts and cities; how much it will cost to make the trip; the probable expense at hotels or camps; and very numerous side trips.

Write for booklets now, so that you can plan your trip wisely. You cannot see all the West this summer. This literature will help you make up your mind what you will most like to see. Write

Over 400 delegates, representing about 300 postoffices in the state, are expected to be present.

What is Castoria.

CASTORIA is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhœa. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. Albert W. Kahl, of Buffalo, N. Y., says: "I have used Castoria in my practice for the past 20 years. I regard it as an excellent medicine for children."

Dr. Gustave A. Eisengraeber, of St. Paul, Minn., says: "I have used your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Buchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

Dr. J. E. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market."

Dr. R. E. Eskildson, of Omaha, Neb., says: "I find your Castoria to be a standard family remedy. It is the best thing for infants and children I have ever known and I recommend it."

Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. In not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation? What can a physician add? Leave it to the mothers."

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."

WILL REFLECT IN THE FUTURE

Mr. Pozozzle Had Found Out That Occasionally Smartness Does Not Pay.

"Yesterday," said Mr. Pozozzle mournfully, "I had it brought forcibly home to me that there is a vast difference between a smart man and a smart alec. A smart man may possess a discriminating sense of humor, but a smart alec is one of those feeble minded folk who send out funny boomerangs on the slightest provocation and they always come back and hit him with whizzing sound. This is how I made the discovery: Mrs. Pozozzle and I were out for our daily constitutional. You know some people walk to get thin, but my wife is different —she walks to get fat. Fat is the one dear hope of Mrs. Pozozzle's existence. She would like to be uphol stered. Last evening she said to me: 'Oliver, if I could get just fifteen pounds, even, I would be so much happier.' 'Fifteen pounds?' said I, the smart alec. 'Do you mean avoirdupois of English currency?' She is too smart for me, that wife of mine, and she saw her chance. 'This time,' she answered sweetly, 'I will choose the currency.' And I had to figure out the amount in our money and make good."

Abner's Preparation.

Abner, who worked for the summer residents, told Mr. Burrod one morning that he was soon to be married.

"Well, really, Abner," said Mr. Burns, "I'm glad to hear it! I suppose you've made all the preparations and got your wedding finery ready?"

Abner did not balk at the question, but he grinned sheepishly.

"Yep," he replied, "maw, she bound my Sunday coat and put a new collar on't, and I've had my shoes tapped."—Judge.

CLEARED AWAY

Proper Food Put the Troubles Away.

Our own troubles always seem more severe than any others. But when a man is unable to eat even a light breakfast, for years, without severe distress, he has trouble enough.

It is small wonder he likes to tell of food which cleared away the troubles.

"I am glad of the opportunity to tell of the good Grape-Nuts has done for me," writes A. N. H. man. "For many years I was unable to eat even a light breakfast without great suffering.

"After eating I would suddenly be seized with an attack of colic and vomiting. This would be followed by headache and misery that would sometimes last a week or more, leaving me so weak I could hardly sit up or walk.

"Since I began to eat Grape-Nuts I have been free from the old troubles. I usually eat Grape-Nuts one or more times a day, taking it at the beginning of the meal. Now I can eat almost anything I want without trouble.

"When I began to use Grape-Nuts I was way under my usual weight, now I weigh 30 pounds more than I ever weighed in my life, and I am glad to speak of the food that has worked the change." Name given by Postum Co., Battle Creek, Mich. Read the little booklet, "The Road to Wellville," in pkgs. "There's a Reason."

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

Absolutely No Admittance.

The New York Evening Post reminds us of a good story told of the late Lord Wolseley, or Sir Garnet Wolseley as he then was, during the military occupation of Egypt. Deeming it advisable, for obvious reasons, to place a guard around the harem of a local potentate, a brother officer, strolling into an adjacent garden, was hailed by a sentinel. "Hi, sir; you mustn't go there, sir!" "Don't you see who I am?" protested the officer. "I am Colonel Blank of the—" Yes, sir, I know," interrupted the trooper, respectfully; "but they's leddies livin' in that 'ouse, an' the' horders I'm Sir Garnet is that 'e's not to be let to go in there 'iself—no matter 'ow bad he wants to."

Cleaning Public Money.

COMMERCIAL MILLING COMPANY

ALBERTA

THE PRICE OF BEEF IS HIGH AND SO IS THE PRICE OF CATTLE.

For years the Province of Alberta (Western Canada) was the Big Ranching Country. Many of those ranches today are immense grain fields and the cattle have given place to the cultivation of wheat, oats barley and flax. The change has made many thousands of American settlers on these plains, wealthy. But it has increased the price of live stock.

There is splendid opportunity now to get a

Free Homestead

of 160 acres (and another as a preemption in the newer districts) and produce either cattle or grain. The crops are always good, the climate is excellent, schools and churches are convenient, markets splendid, in either Manitoba, Saskatchewan or Alberta.
