## Do You Know Ouija Board?

It is more than interesting. It is more than amusing. It is more than mysterious. It is most baffling. It is most indescribable.

And it is Enigmatic, Hidden, Secret, Mystic, Inscrutable, Inexplicable, Impenetrable, Unaccountable, Unconquerable, Mysterious, MYSTICAL, MYSTICAL, MYSTICAL.

Get a Ouija Board at the Eccentric Office! FREE! FREE! FREE!!! For four (4) new subscribers to the Eccentric, at one dollar per year, we will give a large sized (10x12) Board, free at \$1. We have two sizes, for sale at 75c, and \$1.00 each. Both sizes guaranteed to work.

### Directions.

Place the Board upon the laps of two persons, lady and gentleman preferred, with the small heart-shaped table upon the Board. Place the fingers lightly but firmly, without pressure, upon the table so as to allow it to move easily and freely. In from one to five minutes the table will commence to move at first slowly, then faster, and then be able to talk or answer questions, which it will do rapidly by touching the printed words or the letters necessary to form words and sentences with the foreleg or pointer.

2nd.—Care should be taken that one person only should ask questions at a time, so as to avoid confusion, and the questions should be put plainly and accurately.

3rd.—To obtain the best results it is important that the persons present should concentrate their minds upon the subject in question and avoid other topics. Have no one at the table who will not sit seriously and respectfully. If you use it in a frivolous spirit, asking ridiculous questions, laughing over it, you just naturally get undeveloped influences around you.

4th.—Ouija is a great mystery, and we do not claim to give exact directions for its management, neither do we claim that at all times and under all circumstances it will work equally well; but, we do claim and guarantee that with reasonable patience and judgment it will more than satisfy your greatest expectations. If bewildered and baffled the wisest of them all.

## 33 YEARS AGO

What Happened in Birmingham as Published in The Eccentric 33 Years Ago this Week.

By E. M. M.

Oldfellowship originated in Manchester, England in the year 1812.

The Driving Park fast approaches completion.

Reynolds and Wilson are the new plastering company.

Mr. Mason I. James is visiting at Jackson and Grand Ledge.

Uncle John Jones had a poor spell last week but now is around again looking as well as ever.

John A. Duncan, wife and daughters, returned home from Jacksonville, Florida, last Monday.

Mrs. Niles has given Mrs. Campbell's house an artistic finish in oil colors and did it well.

Two young daughters of Geo. L. Lee, Lillie and May visited their grandmother, Mrs. Willets, recently.

Herman Endris of Detroit purchased Dr. C. M. Raynale's four year old colt for \$150.00 last week.

Miss Ona Furman celebrated her 17th birthday last Wednesday by giving her schoolmates a grand supper in the grove near this place.

Mrs. N. M. Corey has built a new fence around her premises and added a new porch to the house, George Shain and Ed. Ford architects and builders.

Joe Stockwell and Frank Blakeslee are in a squabble over a little board bill which Joe claims is his due, and Frank asks 'em about it.

Cast from rollers made by Stanley & North are being sold to farmers faster than they can be made. That is because they are the best.

Tuesday last C. M. Raynale purchased Frank Smith's gray gelding for \$250. This horse hereafter will be heard of in the trotting circles. No don't you forget it.

On Saturday last Wm. W. Martin sold his house and lot on Troy street to Evi Benoit.

Bigelow left Whitehead and Alger alone in the store Monday forenoon,

and these two new green clerks are so much candy and such, that one had a doctor and the other had to take a rest. That's worse than a new boy in a bake shop.

The Hungry Nine B. B. C. played the Southfield boys last Saturday afternoon winning the game by curved pitching and hard work. The Southfield boys play a good game now, and with a little more practice would give the Hungries a close out. The Hungaries are indebted to Hosea Beebe of Fragklin.

At a regular meeting of the common council last Tuesday evening several important ordinances were adopted, amongst which may be mentioned that hereafter all highway taxes inside the corporation must be paid in cash, and not worked at by every Tom, Dick and Harry. Also a smelling committee was appointed to inspect the slaughter house of Thorne & Converse to see if said institution can be declared a nuisance, and if so, to report to the Board, which will order it removed.

The committee is Eugene Brog's, Ed. Lamb and Frank Hagerman, and they have a month to inspect, smell and decide.

Wm. C. Hoyt tells of his first visit to Birmingham in 1841. Met by Robert Beattie who took him from here to Commerce. (This is a long and very interesting article.)—Editor.
