Birmingham now furnishes only six commercial travelers. It is easy to estimate the number of traveling salesmen if every village in the state turns out the same number in proportion, and if they all furnish as solid and respectable a lot of gentlemen as we do the drummer element would be above par. There are Horace Randall, Frank Randall, Lucius Randall and Wm. Goodman who represent K. C. Barker & Co., of Detroit, T. A. Ward of the Detroit Paper Co., and C. W. Bruce who travels for C. W. Inslee & Co., also of Detroit, and all are successful, energetic and hard working men. (C. W. Bruce is still with us and on the road yet. Mr. Bruce and Frank Randall are the only ones now living—Ed.)

Lifes Continuous Demand.

The more you pour out, the more you can take in; the higher you think, the wider the vision, the greater the struggle, the stronger the muscle. To the man or woman who takes it seriously, all life is a continuous demand.—R. J. Campbell.

Explained

"My husband is always cracking up the virtues of his first wife," said Mrs. Hinkley, with a sigh. "Though as a matter of fact they got on very badly."

"Perhaps he understands her better now that she has been translated," said Mrs. Wiggs.—Harper's Weekly.

Do You Know Ouija Board?

MYSTIFERIOUS

It is more than interesting. It is more than amusing. It is more than mysterious. It is most baffling. It is most indescribable.

And it is

Enigmatic, Hidden, Secret, Mystic, Inscrutable, Inexplicable Incomprehensible, Unaccountable, Recondite Occult and MYSTICAL, MYSTICAL, MYSTICAL.

Get a Ouija Board at the Eccentric Office! FREE! FREE!! FREE!!!

For four (4) new subscribers to the Eccentric, at one dollar per year, we will give a large sized Ouija Board, retails at $1. We have two sizes for sale at 75c. and $1.00 each. Both sizes guaravteed to work.

Directions.

Place the Board upon the laps of two persons, lady and gentleman preferred, with the small heart-shaped table upon the Board. Place the fingers lightly but firmly, without pressure, upon the table so as to allow it to move easily and freely. In from one to five minutes the table will commence to move at first slowly, then faster, and then be able to talk or answer questions, which it will do rapidly by touching the printed words or the letters necessary to form words and sentences with the foreleg or pointer.

2nd.—Care should be taken that one person only should ask questions at a time, so as to avoid confusion, and the questions should be put plainly and accurately.

3rd.—To obtain the best results it is important that the persons present should concentrate their minds upon the subject in question and avoid other topics. Have no one at the wheel will not sit seriously and respectfully. If you use it in a frivolous spirit, asking ridiculous questions, laughing over it, you just naturally get undeveloped influences around you.

4th.—Ouija is a great mystery, and we do not claim to give exact directions for its management, neither do we claim that at all times and under all circumstances it will work equally well; but, we do claim and guarantee that with reasonable patience and judgement it will more than satisfy your greatest expectations. It bewilders and baffles the wisest of them all.
