"Yes Sir! Studebaker wagons are made to back up a reputation."

"I know, because wagons of every make come into my shop for repairs, and I have a chance to see how few are Studebakers."

That's the opinion of thousands of blacksmiths who know the quality of *Studebaker* wagons.

The owners never regretted that they bought *Studebakers*.

Tested materials, accurate workmanship insure a wagon unequaled for durability, and this careful selection of wood, iron, steel, paint and varnish has been a fixed rule with the *Studebaker Company* for sixty years. That is why a *Studebaker* wagon runs easiest and lasts longest. It is built on honor.

Whether you live in town or country, there is a *Studebaker* vehicle to fill your requirements for business or pleasure — and harness of every description made as carefully as are Studebaker vehicles.
