

"There Is a House With a Bathroom"

was an expression at one time calculated to arouse interest, but now, conditions are entirely different.

buildings with bathrooms merely raise a question as to the good judgment of the builder.

People know that he has either not considered or disregarded the importance that an up-to-date bathroom has in increasing the value of the home, both as to renting and selling value.

For the finest plumbing work, equipment of reasonable cost we recommend "Standard" plumbing fixtures and will be pleased to submit you the many artistic designs in which they are made.
