BIGGEST DAY EVER

Birmingham Establishes a New Era in the Line of Celebrating the 4th. Safe, Sane and Sure.

The managers of the Fourth of July celebration have every reason to be proud of their achievement...

Nothing all day long marked the festivities. From the start of the parade to the fireworks everything took place as advertised...

The committee in charge, Mr. J. A. Wendorph, chairman, and to Mr. Wendorph great credit should be given for the most excellent manner in which everything was handled throughout the entire day and night...

Headed by music by the Pontiac Band and followed by the Birmingham Martial Fire and Drum corps led by Mr. Poole...

Headed by music by the Pontiac Band and followed by the Birmingham Martial Fire and Drum corps led by Mr. Poole...

At one o'clock the games began on Maple avenue and with the following results. Much fun, laughter and merriment was generally furnished by the competitors...

100 yard dash. Lester Purdy. Flat minis race. Loren Stauch. Potato race. Robt. Grant. Bread and molasses. Arthur Roy. Barrel race. John Beattie. Three-legged race. L. Purdy and Emery Hanna.

Girls race. Alice Carson. Boys 50 yard dash. Schlaack twins. The Schlaack twins ran two heats and both an even tie...

The reason for the lines of march of the 19 o'clock parade being changed was, that on some of the streets the branches of the trees were too low for the floats to pass under...

The committee in charge wish to take this opportunity of thanking all those who helped to make this celebration the success it really was...

The amount of the funds raised for this event was \$240.77. The Village Board gave \$100.00 and it was good investment as the village ever made...

Great Scott! We nearly forgot the G. of P. hall game. Sad to say Oxford won 8 to 5 and it is no disgrace to be on the losing side at that...

Kickapoo Worm Killer, a pleasant candy-lozenge, expels the worms, regulates the bowels, restores your children to health and happiness. Mrs. A. Bradin, of Egin, Illinois, says: "I have used Kickapoo Worm Killer for years, and children's pain is always relieved. It would not be without it." Guaranteed All druggists, or by mail, Price 25c. THE JET'S CEMETERY STAND

Judge Smith recently dissolved the injunction granted some months ago to Peter Backer, supervisor of Royal Oak against the Beth Abraham cemetery association. The injunction was allowed when the township authorities began suit to prevent the burial of bodies in a plot purchased by members of the Jewish society near the village. It was asserted that the state regulations regarding burials were being violated. No testimony was offered and the injunction was dissolved on a motion. There is still a case pending against the Macheplatz Cemetery association.
