

BEING THE HAPPENINGS OF A NIGHT IN RICHMOND IN THE SPRING OF 1965

THE PLAY BY WILLIAM GILLETTE; BY CYRUS TOWNSEND BRADY ILLUSTRATIONS BY EDGAR BERT SMITH

SYNOPSIS

Mrs. Varney, wife of a Confederate general, has just one more day to live from wounds she received in the army...

CHAPTER VI—Continued

"His character? Where did he come from—that is what?" "For that matter," said Edith...

CHAPTER VII

Half an hour is a short or a long time, depending upon the individual mood or the exigencies of the moment...

CHAPTER VIII

"Well," she began, seeing Mrs. Varney, "we have just sent off another batch of bandages..."

Every moment was precious to him. Did Miss Varney know? If so, what did she know? What was to be gained or lost by half an hour's delay on his part...

CHAPTER IX

Edith watched his approach fascinated, as a bird by a serpent. His touch arrested her, his hand brushed her hair away and shrank back...

CHAPTER X

"Where Did You Come From, and What Are You?" "I'm this Mr. Arrelford's steward," asked the daughter stubbornly, apparently entirely unconvinced...

CHAPTER XI

"I will go to Howard; I will be back in a short time, my dear," said her mother, gently laying her hand on her daughter's best head...

REVIEWED HIS WHOLE LIFE

Drowning Man—Even Remembered Where He Had Put His Recorder's Protective Note.

the man who had worn them last, he knew the boy who was going to wear them next. If she could translate the emotions of her faithful heart, the new wearer was more than a friend...

CHAPTER XII

put on the market. It will depend upon the kind of feed that is being given. In my opinion, corn is about the best feed that can be given the hogs on the average farm...

CHAPTER XVI

There's a shortage of meats that I world-wide at the present time, says a writer in the Farm Progress...

CHAPTER XVII

In this connection it may as well be understood that the man who buys his hogs and his feed will not make a great deal on the transaction...

CHAPTER XVIII

Drop lots, wood pastures, close pens and a few acres of brushland for keeping the hog where a profit is to be expected...

CHAPTER XIX

Early potato blight is liable to attack the potato crop at any time from June until the crop is ripe...

POOR HOGS ARE COSTLY ON AVERAGE FARM. BACKACHE IS DISCOURAGING. Backache makes life miserable. Headaches, dizziness, backache, rheumatism, neuralgia, migraines, are a constant trial...

She Had Possessed Herself of His Hand.

Where Did You Come From, and What Are You?

out there to tell who—Our country, our cause, is at stake. "Is this Mr. Arrelford's steward?" asked the daughter stubbornly, apparently entirely unconvinced...

Every Woman Knows That. Instead of sallow skin and face blemishes she ought to possess the clear complexion and good health of a young girl...

BEECHAM'S PILLS. The safest, surest, most convenient and most economical remedy known. Beecham's Pills remove impurities, insure better digestion, refreshing sleep, and have an excellent general tonic effect upon the whole body...

Improve The Complexion. Red Cross Ball Blotch will wash double as many clothes as any other blotch. Don't put your money into any other blotch...

MULE IS MORE VALUABLE THAN HORSE. If Properly Bred, Animals Excel Horses for General Farm Work—Eats Less.

SPRAY TO PREVENT BLIGHT OF POTATO. Disease Is Most Destructive in July and August—Amount Required Per Acre.

Mules can be worked when three years old, though they do not reach their maturity until seven years of age. They are hardy and unobtrusive, breaking very much on the manner of the horse...

Early potato blight is liable to attack the potato crop at any time from June until the crop is ripe, but is not so seriously destructive in July and August as it is in June and July...

Heck—"Pek you ever injured in a runaway?" "Well, yes, I slipped through the woman who is now my wife."

Cost of Feeding Cows. The cost of feeding the average dairy cow in the United States for 12 months is \$23 according to statistics gathered by one of the big dairy cattle societies...

Love of Country. "When you sail for Europe?" "Next week. And oh, I can't tell you how I hate to leave the country..."

Big Idaho Yields. At the state experiment station at Wooster, the crops have averaged, for a term of years, about six to eight tons per acre...
