

GLACIER CLIMBING IDEAL SPORT

By FR. JACOBSON

A MERICAN outdoor sportsmen who are always looking for new fields of sport to conquer, have been afforded a new and thrilling form of entertainment in Glacier National park...

This Glacial wonderland, which was only created by act of congress in 1909, has been practically unknown to Americans until about a year ago...

Adventureous Trips. The summer of 1911 was the first season of Glacier National park...

I have climbed glaciers in Switzerland and the Canadian Rockies...

Generally parties of climbers are formed and horses and guides are engaged...

Wandered Thirty Hours in Mines. Wandering for 30 hours in a colliery near Cardiff, Wales...

Narrow Escape. He—Will you be my partner—She—Oh, Georgia, this is so sudden! Give me a little time—

TAKING THEIR OWN MEDICINE

Like Many Other Schemes for Revenge, This One Recoiled on Heads of Angry Hunters.

Frank Chase, captain-manager of the New York American baseball team, has a hobby for hunting which is not otherwise engaged in shaping the destinies of his baseball squad...

Next day an inspection of the pit showed that a considerable portion had disappeared. Chance immediately called in the Chinese cook...

Never Judge a railway by the clear and on its trains.

Liquid lava is a weak solution. Avoid it. Buy Red Cross Shell Fish, the blue that's all Blue. Ask your grocer.

Quits the Thing. "Small hats are going out this year." "Well, you know, few people do put them on to wear in the house."

Met Them Everywhere. A detective remarked at the Middlesex (Eng) sessions that he knew a prisoner to have associated with men of bad characters.

Flour of Another Color. He'd been waiting with his host's ugly old daughter, and was in a corner repairing damages. Here he was espied by his would-be papa-in-law.

Widow. He took the learned Pundjab alms, and said: "He who hath a full forehead sure will have his eyes brought in, and of a wily live all the days of his life."

The Clocks We Wear. The three marks on the back of a glove and the clocks on the stocking are due practically to the same circumstances.

Reason for Reconciliation. The newly married young woman rushed into her father's presence and threw herself on her knees before him.

Scheme to Cool Mines. A German invented a process which is said successfully to cope with the matter of temperature in mines.

Matter of Color. "Funny things happened in my town last week," said the chaffy man in the railway carriage.

More Useful. "What do you want with this impudent knave?" "That's a hunting knife. I'm going camping. Want something suitable for skinning wild animals."

Putting His Case to Use. A newspaper reporter intended to travel and send by wire all important news. The reporter was a novice, and sent the following important news to his paper.

More Useful. "What do you want with this impudent knave?" "That's a hunting knife. I'm going camping. Want something suitable for skinning wild animals."

More Useful. "What do you want with this impudent knave?" "That's a hunting knife. I'm going camping. Want something suitable for skinning wild animals."

We make friends not by explaining things to them but by allowing them to explain things to us.

Mrs. Winslow's Soothing Syrup for Children Teething, softens the gums, reduces inflammation, allays the painful and restless child, soothes the inflamed wind colic, cures a bottleful.

Stymieological Dispute. "A cheater's eye is a sort of bore." "That's not a cheater's eye. It's a man's what drives an auto."

Practical Old Fogey. Sentimental Young Lady—Ah, professor, what would this old oak say if it were singing at a dinner?

He Was a Lucky Architect. Secretary Bryan was listening to the praises of a financial magnate that a senator was singing at a dinner.

Appliances for Measuring Time. Mechanical appliances for measuring time were in use from the earliest ages and clocks of one kind or another were made in Europe before the discovery of America.

Winning a Welcome. "Don't you get tired of talking about the tariff?" "No," replied Senator Sorghum. "If some one would come up to me and talk about the tariff instead of getting an office, I'd throw my arms around his neck."

Winning a Welcome. "Don't you get tired of talking about the tariff?" "No," replied Senator Sorghum. "If some one would come up to me and talk about the tariff instead of getting an office, I'd throw my arms around his neck."

Winning a Welcome. "Don't you get tired of talking about the tariff?" "No," replied Senator Sorghum. "If some one would come up to me and talk about the tariff instead of getting an office, I'd throw my arms around his neck."

For That Picnic - to ensure complete success take along a case of Coca-Cola. The satisfying beverage—in field or forest at home or in town. As pure and wholesome as it is temptingly good.

Long-Lived English Family. Five brothers and sisters, named Harris, whose united ages total 438 years, met at a birthday party at Radage, Bucks, England. Their ages are: ninety-six, ninety-two, eighty-eight, eighty-two and eighty, an average of more than eighty-seven.

Some Credit Going to Pat. An Irishman was one day engaged at stone-breaking on the roadside, and not being used to the work could not get on very fast.

She Knew. "Miss Janet is a long time coming down," he said to the pretty parlor maid. "Perhaps she is—ha, ha, perhaps she is making up her mind whether to see me or not."

Paradoxical. "I would walk on hot plowshares for your sake, my love." "Yes, and the minute you tried it you would get cold feet."

Paradoxical. "I would walk on hot plowshares for your sake, my love." "Yes, and the minute you tried it you would get cold feet."
