Did you see your Uncle Samuel? And the band played Yankee Doodle. Tomorrow little Tommy's tummy will try to tell how bad Tommy was to-day.

Talking with a motor man which is distinctly against the rules of the Company, a motorist told Mitchell that he never used the mirror on the front of his car, only on rainy days. Wonder why?

The sweet girl graduates and the June brides have already become passers. We are shy of italics, so we can't print it in French and even if we could we are not perfectly sure that we will never mislead.

Dr. Lillian Courts and sister, Miss Emma of Pontiac have gone to visit a sister, Mrs. Burkank at Missouri Valley Iowa. After a short visit there, the Doctor expects to go on a trip through California, and will be away for two months. Her office will be closed during her absence.

Mary E. Utter is enjoying the Rest cure at Battle Creek at the Lettice Sanitarium. She writes that she is now over 700 guests all patients taking the cure. With lectures, musical entertainments, all sorts of outdoor games, and good feeding she is sure she can stand the treatment indefinitely and enjoys it very much.

Five young ladies of the Senior class were picnicking on the banks of the pond one day last week, celebrating their emancipation from school work. They had an elegant spread all ready to sit down to, when it began to pour. They grabbed up their spread and fled for shelter. Mrs. McGrayne saw the rush and called them in. They came. The outing and picnic lunch was enjoyed on the spacious porch. Mrs. McGrayne was voted an honorary member of the Senior Picnic Club and the afternoon was one long to be remembered even if it did rain.

We heard a good woman say the other day: "My, I wouldn't go to the theatre this hot weather on a hot day there and sweater, not for mine." She was referring to the Family Theatre. She did not know what she was talking about. The hotter the weather outside of this theatre's walk the cooler and more comfortable it is inside. With an abundance of ventilation overhead, electric fans drawing outside air in, passing it through water, making washed air, you cannot beat it in Detroit. Surely this day was giving out wrong information.

On a trip over to Orion the other day via trolley line, Mr. Beale lost his pants hat. He put it up in the rack overhead, while traveling on a limited, and the wind whisked out of the rack, down the aisle, and Bling! Bling! away went the lid. Mr. Beale waved it a farewell to the Conductor got interested, used the telephone to motor man of another car to watch for the hat, and when Mr. Beale got back to Royal Oak to change for Birmingham, his hat was handed to him by the pleasant agent of the Road at Royal Oak. Soody that.

Birmingham is in joy today. Happy homes on Birmingham Heights. It took the Civic League to stir things up. Miss Minnie VanZandt of Leamington Ont., is visiting her brother, A. D. B. VanZandt. Poppelton started suit against Arthur McClelland of Royal Oak, before Justice Campbell in a plea of trespass on the case to his damages \$300.00 et under. The return day is set for July 11th at 9 o'clock a. m. The Ladies Aid Society of the Baptist church will meet at Kosi Kabin farm, Chas. A. for its monthly social and business meeting on Thursday, July 10. Business meeting at 2:30 p. m. Tea served at 5:00. All are cordially invited.

Young man! If you can scrape up a hundred dollars, why don't you buy a lot on Birmingham Heights? The bulldozer will do it and the balance can be paid in easy monthly payments. The steady rise in values of these lots will make big interest upon your investment. We knew all the time that our long tried friend, Will Hilliard would get his - has. Wednesday morning before Justice A. W. Campbell, he was sent to Pontiac jail for 30 days, a provol and drunk and tippler. His time will be put in working on the roads for the Oakland Co.

When J. Allen Bigelow started for Gettysburg, he had a tag telling folks who to notify if anything went wrong. The names on the tag were T. R. Donovan and G. H. Mitchell. On the other side it read: "When I get too full for utterance, send me a tag which says 'Birmingham.'" No word yet. Several young kids came down from Pontiac last Sunday night to show B'hair folks the real Simv...ure sport. They succeeded. Shot off a sky rocket that hit Mrs. Elmer Huston, who narrowly escaped serious injury. One in village lock-up all night and two for two hours each, and all dismissed with a reprimand.

The Oakland County Horticultural society will hold their monthly meeting at the home of R. J. Coryell Saturday, July 10. Business of the Michigan Agricultural college will speak on "Cover crops on the fruit farm". J. B. Halsted of Farmington, will lead the discussion in the morning on "Conserving of moisture. Nixon says he caught 50 pounds of pike and has one day last week. All we know about it is what he says. Course he wouldn't lie about it. However, you can't prove anything by us. We never say the truth. This time of the year they're kind of soft. Our folks say it smells the house up when they're cooking, anyway. More trouble to clean 'em than they're worth! Hal Stanley Quick of Rochester was complained of by John W. Water of cruelly beating a horse with a shoe back of the head. He was arrested Friday morning and brought before Justice Campbell and plead guilty thereto. The Justice listened to his explanation and fined him by the use of paying a fine of \$5.00 and the amount of \$8.00 costs of prosecution or spending 20 days in the county jail. He paid the above fine and costs and was discharged.

The case of the People vs. James F. Pilley, cause pending before Justice Campbell was taken up last Saturday afternoon, being charged with having committed the offense of violating the motor vehicle speed law. The defendant Attorney Robert H. Hall demanded a jury. The Assistant Prosecuting Attorney thought that they would not have time to summon a jury and try the case this afternoon and asked to have the said case adjourned, the court granted the case to July 10th a. m. for trial.

Every one knows what a successful peace-maker Mr. Chas. T. Latham, attorney, it is his business. But he failed to bring about a reconciliation the other day, when a man that he billed and brought out from Detroit one day last week, met a man all ready engaged. He advertised and secured a foreigner, who had been in America some nine months. This man could speak English and had been in the man down into the field, the other hand being across the field, the new man anxiously inquired: "What kind o' man that?" He replied Mr. L. he is good, he is Italian, his name is Waaguel, no play, me Balkan man fight Italia man. Brother Latham talked the Balkan to stay saying "he good Italian man, he nice man." From Nice, Italia, damage, I not stay. Finally Bro. Latham consoled the Balkan man, who he said he'd stay. By this time the man had come to them and when he got down from the sulky rake and straightened up showing a pretty good countenance, he said to the man, the Balkan warrior took one, just one look, and for all Mr. Latham knows that the son of a Balkan is running yet. The peace is still vacant.

Mr. and Mrs. Foot and daughter, Mrs. Kellogg, 306 Martin had as Sunday guests, three of their daughters, three grand-daughters, one grand-niece and two great-grandchildren, all from Detroit. A fine time was enjoyed by all. Birmingham Drum Corps. was out last Thursday afternoon and serenaded the business places and the only one that set up the cigars was the Eccentric office. Many thanks, Mr. Mitchell. When we got around to the town pump I up on Birmingham Spring water to behold it was dry and so was the Drum Corps but Landlord Peck came to our assistance and asked us in to have a glass of soda water at his expense which we gladly accepted. Many thanks to Landlord Peck.

The pictures at the Family Theatre were shown under great disadvantages last Monday night. The electricity was cut off twice during the evening. The end of the first show, Mr. Smith let one of the spall boys draw from the box. Two or four numbers were drawn that were not answered. The lucky number was 036666, and Orie Clark was the winner. Next Monday night Mr. Smith will give away a \$7.00 Kodak, that can be seen in C. J. Sinden window. Commencing Monday July 7, the Family Theatre will give away another \$5.00 gold piece. Save all your coupons and be at the Theatre on Monday July 7, and if you want to win this money, there will be a matinee at 2:30, and an evening performance at 7:30. If you are interested in vibrators, X-ray machines, electric sanitary apparatus and a dozen other curious and wonderful machines designed to cure all the ills that mankind is subject to, just run up stairs to Dr. Hilly and Campbell's office and have the Doctor show you. Tell him you are from Missouri and he will entertain you handsomely. We did. We had him big man run all over us, through us, up one side and down the other, tried out all kinds of Electrodes, every one of them, tried the Campbell High Frequency Chair treatment, chair up to 2000 volts, wow. Doctor J. L. Campbell used the Campbell Electric Co. outfit and showed us several successful X-ray pictures taken by him and gave us a treatment said to make old men young. It does. He runs the vibrator all over us and when we departed he said that the Doctor's office was modern, down to date and that Birmingham in medical skill still leads the county.

The agonizing discomfort and sense of suffocation that accompany hay fever and asthma may be greatly alleviated by the use of Dr. Hilly and Campbell's Tar Compound. It has a soothing effect on the mucous linings, and relieves the gasping and tickling sensation in the throat and bronchial tubes. Sold by all druggists.—Adv.
