

Work Pork Beans Delicious - Nutritious

mp and nut-like in flavor, thoroughly cooked with ork. Prepared the Libby way, nothing can be more g and satisfying, nor of greater food value. Put or without tomato sauce. An excellent dish ther hot or cold.

NOT YET THE SINLESS WORLD TRUE SPIRIT OF THE HOME

sh Penology Expert Illustrates Point With an Appropriate "Watermelon" Story.

Fernando Cadalso, Spain's in-general of prisons, said re-th New York that he thought see had not yet come for the not capital punishment, world is not yet civillized for this advance," he contin-the world, you know, is still deal in the sistent of he col-

and began:

"Uncle Ell, I'm trying an experiment with Doc Sawyer in the south wisterneion patch. The melons there are a poison variety, and if any of year colored friends touch them chey'll be killed, sure. You'd better!

"Sarteniy, I had, sah, said Uncle sarteniy, I had, sah, said Uncle sarteniy, and you chair, your warning!"

"Sarteniy, I had, sah, said Uncle said by the said you chair, your warning!"

"What had by you kink your warning!"

"What i thinks, sah, said Uncle said you can be south patch from their.

"What I thinks, sah, said Uncle Shi, sartening his head, is dat there!" be a lot o' dade niggers round dat patch, dark what I thinks, sah.

Paper Cannon

Paper Cannon.
To the amaingly long list of artirles made of paper there may be
aded paper cannon, which have been
manufactured at the Krupp works, 'in
Germany. 'These paper field pieces
are for special use of the liftanty.
Their caliber is a little less than two
tiches and the pieces are so light. are for special use of the 'lifantry. Their caliber is a little least shan two litches, and the pieces are so light the resistance is greater than that of a field piece of steel of the same caliber. It is not to be understood that these paper guns are in any way to replace those made of steel. The paper atms, are listend merely for the same control of the same of the movement of the same of the same of the same of the movement of the same of the

orders.

Miss Hogabust (surprised) — You don't say'; Well, poppa has got some real nice gentlemen traveling for him.

For "Mr. Fragile." with an express package

"No." repited Loomis.
"Well, that's the name on this
package."
Loomis took a look. The box was
addressed to the manager of the London pictures. Over the address was
inscribed:

Juvenile Tact. Small Thomas heard his mother telling his older brother that it was a
tactful thing to appear to think people younges than they were.
His sister's French teacher arriving shortly after, it fell to Thomas
to entertain her until his sister appeared.
Thomas decided to do it up
brown.

"How old are you, Miss Grey?" he asked politely.
"I'm dreadfully old, Thomas," she answered. "I'm twenty-three!" s
"Oh!" said Thomas, gulping a little with the unusual effort. "I-I never thinked you was more'n s-seven."
"Lippincott's.
