THE DINNER HORN.

BY A. WHITEHEAD.

They tell us of the self-horned good old river Rhine. The blasts that shook the walls of Jericho. But when softer music comes to these ears of mine When I hear the welcome non day summons blow. Along the fresh turned furrow the plowman halts his team And stoops to loose the dirt, jingling traces. Sweet thoughts of wife and little ones come to him like a dream, A smile of gladness lights up his face. The whistle of the quail comes across the fields of oats. The patient cow stands knee-deep in the rill. The locust drops a slumber-song in sleepy, long-drawn notes. The shouts of children echo from the hill. Strains more dulcet never came from out the pipes of Pan. They quaver over fields of waving corn. The rarest, sweetest symphony e'er heard by mortal man The merry music of the dinner horn.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that at least one dreaded disease that science has been able to cure in all its stages, and that patient suffering from Catarrh of the bladder, and those who have tried the medical fraternity, Catarrh being a constitutional disease requires a constitutional cure. This is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer \$100 for any case that it fails to cure. Send for list of testimonials. Address: J. C. HENRY & CO., Toledo, Ohio. Sold by all druggists, 75c. Take Hall's Family Pills for constipation. -Advertisement.
