

This is a copy of our Rexall Store advertisement in this week's (September 15) Saturday Evening Post. Read it and profit by it.

If You Knew—

OF the months, and oft-times years, devoted to painstaking, conscientious testing and proving by actual use of every formula for any Rexall Toilet Preparation before that formula was finally adopted as worthy. Of the exact, earnest care used in selecting each ingredient, and the rigid testing for purity and strength before it could become a part of the preparation. Of the guarantee on each Rexall Toilet Preparation that, if it does not give satisfaction in every way, "we want you to go back to the store where you bought it and get your money; it belongs to you and we want you to have it!" and.

If You Saw—

The sanitary, airy, sun-lighted, shiningly-clean laboratories in which Rexall Toilet Preparations are made; the white-capped, white-aproned, wholesomely-clean young women who put them up—and.

If You Realized—

That the co-operation in buying, manufacturing and selling of more than 7,000 Rexall Stores— one leading drug store in each important city and town in the United States, Canada and Great Britain—makes it possible to reduce to a minimum the cost to you of the finished product.

Then You Would Believe—

That it is an Advantage for you to buy

Why Do We Want Freedom?
What do we want freedom for? That we may have the best that life can give us, unshackled by tyrannies of custom, fashion or prejudice. And how can we lead a right life unless we learn its laws and render them faithful obedience? Profoundly wise is the prayer when addressed God as he "whose service is perfect freedom."
