## Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage it will do is ten-fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists. Price 75c per bottle.

Take Hall's Family Pills for constipation.—Adv.

## We Have Accounts

As small as a dollar—as large as thousands of dollars. And no matter how large an account may be, we realize that it is made up of a certain number of single dollars. This fact ought to encourage those who earn moderate incomes. It ought to induce them to do something toward accumulating a worth-while provision for the future. We maintain that a savings account at this Bank (an account in which the owner is really interested) is an investment hard to beat.

Birmingham

## The Difference

Between a dollar saved and a dollar spent is two dollars. Have you ever thought of it in that way?

The dollar saved gives you a feeling of satisfaction while the dollar spent gives a feeling of regret.

Your dollar deposited in this Bank will give you the most satisfactory feeling, for besides being saved it will be earning you 4 per cent interest if left three months.

We accept deposits of \$1.00 up.

## USE GAS- AND A 'CADILLAC'

Gas is far more convenient than any other fuel you can use—and it's safer. The Cadillac is convenient, sanitary and economical. In fact it's the best gas stove I've ever seen, and I've handled a good many. Here's my proposition to you—come in and select your Cadillac and I'll not only send the stove out to Birmingham, freight paid, but I'll pay your fare both ways.

Gregg  
HARDWARE Co.  
44-46 Cadillac Square

The model shown here is the most popular. Notice the white porcelain-lined canopy. The burner-box insulins, valve handles and clean-out trays are also porcelain. The cooking top has a self-lighter, which does away with matches. The oven with the glass door is aluminized. The broiler pan is aluminum. Every detail of the stove shows thought for the house-wife's comfort. Come in and let us show you the Cadillac.

The Ladies' church society of the Presbyterian church will hold its annual bazaar at the church, the afternoon and evening of Nov. 13.
